WETGEVENDE RAAD VERKIEZING: HET STEMMEN DOOR GEREGISTREERDE KIEZERS.

HIERMEDE wordt ter algemeene kennisname gepubliceerd in verband met de aanstaande Verkiezing van Leden van den Wetgevenden Raad:

(1) Dat in de *Kies Afdeeling Kaapstad*, kiezers alleen kunnen stemmen in de Stemplaats van het bijzonder Distrikt in en voor hetwelk zij geregistreerd zijn en niet elders; en

(2) Dat kiezers geregistreerd in de *andere Kies Afdeelingen der Kolonie* stemmen kunnen op *eenige* Stemplaats binnen de Kies Afdeeling op de Geregistreerde Kiezers Lijst waarop hunne namen voorkomen, maar dat vóór zij zullen worden toegestaan te stemmen op eene Stem plaats *buiten het bijzonder Veldkornetschap* waarvoor zij geregistreerd waren in zoodanige Kies Afdeeling, het noodig is voor hen eene declaratie te maken waarvan vormen op iedere Stem Plaats zullen worden geleverd, ten effekte dat zij niet hebben gestemd en beloove zullen niet te stemmen op eene andere Stem Plaats in zoodanige Kies Afdeeling.

Kiezers kunnen natuurlijk onder geene omstandigheden, kiezen op eene Stem Plaats buiten de Kies *Afdeeling* waarvoor zij geregistreerd zijn, en mocht het alzoo gebeuren dat een naam van een Kiezer op meer dan een der Geregistreerde Lijsten van Kiezers van de Kies Afdeelingen boven vermeld verschijnt, wordt zoodanige Kiezer er aan herinnerd dat het niet wettig voor hem is te stemmen voor meer dan eene Kies Afdeeling in de Kies Provincie. In andere woorden hij kan slechts eenmaal bij de Verkiezing in kwestie stemmen.

Landmeter-Generaals Kantoor,
Kaapstad, 15den Augustus, 1903.

OVEREENKOMSTIG artikel 4, Wet 26 van 1891, als verder bekrachtigd door Wet 18 van 1897, wordt hiermede kennis gegeven dat de volgende stukken Kroonland, gelegen in het Afdeeling van Gordonia bij publieke opbod, te huur aangeboden worden zal voor het kantoor van den Civiele Commissaris te Upington om 10 uur 's voormiddags, op Zaterdag, den 7den November, 1903, onderhevig aan de Voorwaarden en Bepalingen hierna te worden genoemd, en verder aan zulke condities als op den verkoopdag mogen vermeld worden.

De grond zal aan den hoogsten bieder verpacht worden voor een termijn van niet minder dan een jaar en niet meer dan vijf jaren.

De voorwaarden van de verpachting zijn als volgt:—

1. Een jaar huur zal aan den Civielen Commissaris op den dag der verpachting betaald worden, en als de pachttijd meer dan een jaar zal zijn, zal de gereedelijke betaling van de huursom vooruit voor het volgende jaar of de volgende jaren door goedgekeurde borgen verzekerd worden: mits echter de Civiele Commissaris twee jaar huur vooruit mag ontvangen, in welk geval genoemde borgstelling niet noodig is.

2. De regeering behoudt het recht de pacht te eindigen, mocht het dienstig geacht worden den grond te verkoopen of andere omstandigheden het te eeniger tijd noodig of dienstig maken, op twee maanden kennisgeving; en in zulk een geval zal de huur, betaald voor een nog niet afgeloopen deel van het loopende jaar, aan den huurder terugbetaald worden.

3. Gouvernements landmeters, bezig met het opmeten van Kroon of anderen grond met hunnen assistenten en bedienden, zullen ter alle tijde recht van toegang hebben, tot alle deelen van den verhuuren grond voor professioneele doeleinden, en het recht om eenig deel van het land te occupeeren, en hun vee of paarden te grazen en te wateren op alle weiden en bij alle wateren.

6. Het recht om te zoeken en graven naar erts, metalen, delfstoffen, of edelgesteente is aan de Regeering of aan alle door haar gemachtigde personen voorbehouden, behalve in zoo ver als zulk recht de rechten en privilegien van gezegde huurders ten opzichte van edelgesteente en delfstoffen moge beperken, als bepaald bij eenige wet te dien opzichte.

7. De Regeering neemt niet op zich eenige bakens aan te wijzen. De beschrijving van het stuk grond zal op den pachtdag gegeven worden, en de huurder zal daarop verwacht worden de uitgestrektheid van het door hem gehuurde land te vinden.

8. De huurder zal geen recht hebben om af te houwen, te ontbasten of anderzins eenig boomen of jonge boomen op het gehuurde land te beschadigen.

9. De huurder zal bij het vervallen of anderszins eindigen van den huur, geen aanspraak hebben op eenige vergoeding voor verbeteringen aangebracht gedurende den huurtijd, maar deze zullen het eigendom der Regeering worden.

10. De huurder zal alle bestaande verbeteringen op den grond gedurende den huurtijd in goeden staat moeten houden en die in goeden staat afleveren, maar zal niet gerechtigd zijn tot eenige vergoeding daarvoor.

11. De huurder zal de pacht niet overdragen noch den grond of eenig deel daarvan onder-verhuren, of eenige gebouwen daarop, zonder dat eerst de schriftelijke vergunning der Regeering verkregen is.

14. Het bewonen van grond onder deze huur zal niet beschouwd worden *bona fide* occupatie te zijn onder de bepalingen en voor de doeleinden van artikel 20 van Wet 40 van 1895.

15. *De huurder zal niet het recht hebben te dooden, vangen, betrappen, jachten of wonden, eenig wilde vogelstruisen, of nemen, verwijderen, bemoeien met of storen het eieren tenzij onder een licentie, uitgereikt onder Wet 33 van 1889, of zulks gelijksoortige Wet.*

Andere voorwaarden mogen op den koopdag genoemd worden.

De uitgaven van opmeting op elk deel van den Grondbrief (nl., 12s. 3d.) zullen aan de Civielen Commissaris, of anders te dien opzichte wettelijk geauthoriseerde persoon, op den koopdag betaald worden.

De kooper zal verplicht zijn een verband te passeeren, gevende interest tegen vier per cent per jaar, ten gunste van het Gouvernement voor vier-vijfde van den koopsom, tenzij hij op den koopdag meer dan een-vijfde daarvan betaald hebben zal, in welk geval het bedrag van het verband voor de balans van den koopsom zijn zal, hebbende de kooper het recht het verband of eenig deel daarvan, zijnde niet minder dan vijftig ponden in eens, af te betalen.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld, dan zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van de datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geener waarde worden, en reeds gedane betalingen zullen aan de Regeering vervallen.

Als de kooper of diens borgen feilen, of niet in staat zijn de noodige betalingen van de koopsom als bovengenoemd binnen de gestelden tijd te doen, zal de Regeering het recht hebben den koop nietig te verklaren, en alle betalingen reeds gedaan ten opzichte van dien koop, zullen aan de Regeering vervallen.

Ingeval de koopprijs £25 of meer is, zal de kooper verplicht zijn een verband te passeeren, gevende interest tegen vier per cent per jaar, ten gunste van het Government voor vier-vijfde van den koopsom, tenzij hij op den koopdag meer dan een-vijfde daarvan betaald hebben zal, in welk geval het bedrag van het verband voor de balans van den koopsom zijn zal, hebbende de kooper het recht het verband of eenig deel daarvan, zijnde niet minder dan vijftig ponden in eens, af te betalen.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld, dan zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van de datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geener waarde worden, en reeds gedane betalingen zullen aan de Regeering vervallen.

LEGISLATIVE COUNCIL ELECTION: RECORDING OF VOTES BY REGISTERED VOTERS.

IT is hereby notified, for general information, in connection with the forthcoming Election of Members of the Legislative Council:

(1) That in the *Electoral Division of Cape Town*, Voters can only vote at the Polling Station of the particular District in and for which they are registered, and not elsewhere; and

(2) That Voters registered in the *other Electoral Divisions in the Colony* may vote at *any* Polling Station within the Electoral Division on the Registered Voters' List of which their names appear, but that before they will be permitted to vote at any Polling Station *outside the particular Field-cornetcy* for which they were registered in such Electoral Division, it will be necessary for them to make a declaration, forms of which will be provided at every Polling Station, to the effect that they have not voted, and undertake not to vote at any other Polling Station in such Electoral Division.

Voters cannot, of course, under any circumstances, vote at a Polling Station outside the Electoral *Division* for which they are registered, and should it so happen that a voter's name appears on more than one of the Registered Lists of Voters of the Electoral Divisions above referred to, such voter is reminded that it is not lawful for him to vote for more than one Electoral Division in the Electoral Province. In other words he can only vote once at the Election in question.

BALLOT ACT.

Poll to be taken on the 10th November, 1903.

THREE CANDIDATES TO BE ELECTED.

Directions for the Guidance of the Voter in Voting.

The Voter has THREE votes, which he can distribute among the Candidates as he pleases. He can, if he chooses, give all his votes to one Candidate.

The Voter will go into one of the Compartments and, with the pencil provided in the Compartment, place a cross on the right hand side, opposite the name or names of the Candidate or Candidates for whom he votes, thus **X**. *He must not sign his name.*

A vote recorded in any other manner will be rejected.

EXAMPLES:

(1)

1.	**BROWN.** (John Brown, of 52, Adderley Street, Cape Town. Merchant.)	X
2.	**JONES.** (William David Jones, of Wynberg, Farmer.)	X
3.	**ROBINSON.** (James Robinson, of Uitenhage, Woolwasher.)	X
4.	**SMITH.** (Thomas Smith, of Kimberley, Speculator.)

3.	**ROBINSON.** (James Robinson, of Uitenhage, Woolwasher.)	
4.	**SMITH.** (Thomas Smith, of Kimberley, Speculator.)	

The Voter will then fold up the Ballot Paper so as to show the Official Mark on the back, and leaving the Compartment, will, without showing the front of the paper to any person, show the Official Mark on the back to the Presiding Officer, and then in the presence of the Presiding Officer, put the paper into the Ballot Box, and forthwith quit the Polling Station.

If the Voter inadvertently spoils a Ballot Paper, he can return it to the Officer, who will, if satisfied of such inadvertence, give him another paper.

If the Voter signs the paper or places on it any mark by which he may be afterwards identified, or votes for more than three Candidates, his Ballot Paper will be void, and will not be counted.

If the Voter takes a Ballot Paper out of the Polling Station, or deposits in the Ballot Box any other paper than the one given him by the Officer, he will be guilty of a contravention of the Franchise and Ballot Act, 1892, and be subject to imprisonment for any term not exceeding six months with or without hard labour.

IN terms of Section II, Act No. 15 of 1887, as amended by Sections IV, V and VI of Act No. 40 of 1895, it is hereby notified that the following Erven or Lots of Crown Land, situate in the Division of RIVERSDALE, will be offered for Sale, by Public Auction, in front of the Civil Commissioner's Office, at RIVERSDALE, at 10 o'clock a.m. on Wednesday, 25th November, 1903, subject to the conditions and stipulations in the above Act, and in the General Conditions of Sale set forth, and further to such Conditions as may be declared on the day of Sale.

Each Lot will be put up at the upset price fixed, and the highest bidder who shall have offered not less than such upset price shall be declared the purchaser, and every such purchaser shall have the option of paying either the whole or a part of the purchase money on the day of sale: Provided:

(i) That if no payment be made on the day of sale one-tenth of the purchase price shall be paid at six and one-tenth at twelve months from the day of sale.

(ii) That if less than one-tenth of the purchase price be paid on the day of sale, the balance of such one-tenth shall be paid at the expiration of six months, and the remaining one-tenth at the expiration of twelve months from the day of sale.

(iii) That if the amount paid on the day of sale be one-tenth or any sum between one-tenth and one-fifth of the purchase price, the balance of one-fifth of the purchase price shall be paid at the expiration of twelve months from the day of sale.

(iv) In cases where the purchase-money is less than twenty-five pounds, the whole amount shall be paid in cash, or in equal instalments extending over a period of three years.

Interest on the instalments above mentioned shall be paid at the rate of four per centum per annum; and the payment of the instalments, together with the interest thereon, shall be secured on the day of sale by two good and sufficient sureties to the satisfaction of the Civil Commissioner, which sureties will bind themselves in regard to such payments as sureties *in solidum* and co-principal debtors, renouncing the exceptions of excussion and division.

If the purchaser or his sureties fail, or are unable to make the necessary payments of purchase money as above within the stipulated time, it shall be competent for the Government to cancel the sale, and all payments already made in respect of such sale shall be forfeited to the Government.

The expenses of Survey on each Lot and of the Title Deed (viz., 12s. 3d.) shall be paid to the Civil Commissioner, or other duly authorised person in that behalf on the day of sale.

In the event of the purchase price being £25 or more, the purchaser shall be bound to pass a mortgage bond bearing interest at the rate of four per centum per annum, in favour of the Government for four-fifths of the purchase price, unless he shall have paid on the day of sale more than one-fifth thereof, in which case the amount of the bond shall be for the balance of the purchase price, the purchaser having the right to pay off the bond or any portion thereof, not being less than fifty pounds at any time.

If the purchaser be desirous of holding the balance of the purchase money on mortgage as above, he will be required to pass the Bond within thirteen (13) calendar months from the day of sale, failing which, a fine of one shilling will be imposed for every day allowed to pass beyond it, up to eighteen months from the date of sale, after which, should such failure still continue, the balance of the purchase money, with interest thereon, and the amount of the fine, if any, so imposed, shall forthwith become due and payable, and shall be recoverable in any competent court of law without further notice, and if not paid within one month after the date of judgment, the sale shall become null and void, and payments already made shall be forfeited to the Government.

The Diagrams and Conditions of Sale may be seen at the Surveyor-General's Office, Cape Town, and at the Office of the Civil Commissioner, Riversdale.

STEPHEN CARRACK, the above Defendant, has been summoned by Edictal Citation of this Honourable Court to appear on the 3rd day of December, 1903, to answer his wife LAVIENA CATHERINA CARRACK (born du Plooy) the above Plaintiff, in an action for the restitution of conjugal rights, and in default thereof a decree for divorce on the ground of unlawful and malicious desertion.

Wherefore the Plaintiff says:—

10. De huurder zal alle bestaande verbeteringen op den grond gedurende den huurtijd in goeden staat moeten houden en die in goeden staat afleveren, maar zal niet gerechtigd zijn tot eenige vergoeding daarvoor.

11. De huurder zal de pacht niet overdragen noch den grond of eenig deel daarvan onder-verhuren, of eenige gebouwen daarop, zonder dat eerst de schriftelijke vergunning der Regeering verkregen is.

14. Het bewonen van grond onder deze huur zal niet beschouwd worden *bona fide* occupatie te zijn onder de bepalingen en voor de doeleinden van artikel 20 van Wet 40 van 1895.

15. *De huurder zal niet het recht hebben te dooden, vangen, betrappen, jachten of wonden, eenig wilde vogelstruisen, of nemen, verwijderen, bemoeien met of storen het eieren tenzij onder een licentie, uitgereikt onder Wet* 33 *van* 1889, *of zulks gelijksoortige Wet.*

THE CAPE OF GOOD HOPE

Government Gazette.

PUBLISHED BY AUTHORITY.

No. 8590. FRIDAY, 23 OCTOBER. 1903.

PROCLAMATION

BY HIS EXCELLENCY THE HONOURABLE SIR WALTER FRANCIS HELY HUTCHINSON,

Knight Grand Cross of the Most Distinguished Order of Saint Michael and Saint George, Governor and Commander-in-Chief of His Majesty's Colony of the Cape of Good Hope, and of the Territories and Dependencies thereof, &c., &c., &c.

WHEREAS by Proclamation No. 122, bearing date the 15th day of July, 1901, I did proclaim and make known that, notwithstanding anything contained in Proclamation No. 18, bearing date 21st January, 1901, it shall be lawful, subject to the Regulations contained in the Schedule appended thereto, to introduce horned cattle into this Colony from that portion of the Territory of German South West Africa which lies south of the Quarantine Belt established at about the 24th parallel of South Latitude :

And whereas it has been made to appear to me that the disease amongst cattle, known as Rinderpest, is now prevalent in the said portion of German South West Africa, lying south of the Quarantine Belt, and it therefore becomes expedient to repeal the said Proclamation No. 122, bearing date the 15th July, 1901.

Now, therefore, under and by virtue of the powers and authorities in me vested by Act. No. 27 of 1893 and Act No. 2 of 1897, I do hereby proclaim, declare and make known that, from and after the date hereof, the said Proclamation No. 122 of 1901, together with the Regulations issued thereunder, is hereby cancelled and withdrawn : thus re-enacting, in regard to the said southern portion of German South West Africa, the provisions of the said Proclamation No. 18, bearing date the 21st January, 1901, which absolutely prohibits the introduction of horned cattle into this Colony from any portion of the Territory of German South West Africa.

GOD SAVE THE KING!

Given under my hand and the Public Seal of the Colony of the Cape of Good Hope, this 19th day of October, 1903.

WALTER HELY-HUTCHINSON,
Governor.

By Command of His Excellency the Governor in Council,
JOHN FROST.

WETGEVENDE RAAD VERKIEZING: HET STEMMEN DOOR GEREGISTREERDE KIEZERS.

HIERMEDE wordt ter algemeene kennisname gepubliceerd in verband met de aanstaande Verkiezing van Leden van den Wetgevenden Raad :

(1) Dat in de *Kies Afdeeling Kaapstad*, kiezers alleen kunnen stemmen in de Stemplaats van het bijzonder Distrikt in en voor hetwelk zij geregistreerd zijn en niet elders ; en

(2) Dat kiezers geregistreerd in de *andere Kies Afdeelingen der Kolonie* stemmen kunnen op *eenige* Stemplaats binnen de Kies Afdeeling op de Geregistreerde Kiezers Lijst waarop hunne namen voorkomen, maar dat vóór zij zullen worden toegestaan te stemmen op eene Stem plaats *buiten het bijzonder Veldkornetschap* waarvoor zij geregistreerd waren in zoodanige Kies Afdeeling, het noodig is voor hen eene declaratie te maken waarvan vormen op iedere Stem Plaats zullen worden geleverd, ten effekte dat zij niet hebben gestemd en belooven zullen niet te stemmen op eene andere Stem Plaats in zoodanige Kies Afdeeling.

Kiezers kunnen natuurlijk onder geene omstandigheden, kiezen op eene Stem Plaats buiten de Kies *Afdeeling* waarvoor zij geregistreerd zijn, en mocht het alzoo gebeuren dat een naam van een Kiezer op meer dan een der Geregistreerde Lijsten van Kiezers van de Kies Afdeelingen boven vermeld verschijnt, wordt zoodanige Kiezer er aan herinnerd dat het niet wettig voor hem is te stemmen voor meer dan eene Kies Afdeeling in de Kies Provincie. In andere woorden hij kan slechts eenmaal bij de Verkiezing in kwestie stemmen.

CANCER RESEARCH WITHIN THE UNITED KINGDOM AND THE BRITISH DOMINIONS BEYOND THE SEAS.

A CIRCULAR Despatch having been received from the Right Honourable the Secretary of State for the Colonies requesting that publicity may be given to the Objects of the "Cancer Research Fund," under the control of the Royal College of Physicians of London and the Royal College of Surgeons of England, for promoting investigations into all matters connected with or bearing on Cancer and Malignant Disease, the attention of Medical Practitioners, Medical Officers of Public Institutions and others is directed to the following suggestions on the subject of the collection of information and material for the assistance of the Research contained in a Memorandum by Dr. Bashford, the General Superintendent of Cancer Research, Victoria Embankment, London.

NOEL JANISCH,
Under Colonial Secretary.

MEMORANDUM BY THE GENERAL SUPERINTENDENT OF CANCER RESEARCH.

MEMORANDUM.

(1.) Attention is specially directed to the necessity for seeking whatever evidence there may be of the occurrence or non-occurrence of benign and malignant new growths among natives, both of the class which seeks admission to hospital and the class which does not do so. Observation should be directed to the aged, but also to others.

(2.) The conditions most likely to be evident are those occurring on the external surface, and more accessible parts of the body, *e.g.*, skin, lips, tongue, floor of mouth, vulva, penis, mamma. Similar conditions occurring in the more inaccessible organs, uterus, alimentary canal, etc., are less likely to be easily detected.

(3.) In the absence of any manifest evidence of the occurrence of such growths, it is essential to seek for the existence of fanatical or other grounds causing the natives to observe secrecy in regard to such conditions, and to endeavour to thoroughly probe the matter.

(4.) In all cases of death in hospital, and outside wherever possible, it is essential that a post-mortem examination be made and recorded in every case. It may be that only in this way will evidence of the occurrence of malignant new growth be brought to light, for such conditions may exist without causing symptoms attracting the attention either of the medical man or the patient.

(5.) In performing a post-mortem, a diligent search is to be made for secondary growths, and the sites of these carefully noted.

(6.) Should malignant new growths be detected, notes of the cases are to be made in the form given below.

(7.) These notes are to be filed in duplicate, one for preservation on the spot, one to be forwarded to the Colonial Office.

In view of the difficulty of carrying out proper microscopical examinations it is further directed :

(8) In all cases of operation at which any suspicion of the presence of benign or malignant new growth is present, small portions of the suspected tissue are to be *at once* placed in 2% formalin* securely packed in a tin, and addressed to the Superintendent of Cancer Research, Victoria Embankment, London. All such specimens should be accompanied by a letter briefly stating suspected nature of specimen and other possible notes, and in no case must the reference to the filed notes be omitted. By small portions it is meant that the pieces of tissue ought not to be more than ⅛ of an inch thick and ½ an inch square. If the suspected growth present different features in different parts, a specimen of each characteristic portion should be sent.

(9.) In all cases of post-mortem examination anything indicative of benign or malignant new growth is to be forwarded according to the instructions given for material from operations.

(10.) It may be possible to obtain a small portion of a growth from a patient refusing operation.

(11.) Notes of cases of benign and malignant new growth occurring in Europeans are directed to be made in exactly the same way.

* If formalin be not obtainable, absolute alcohol may be used.

Between JOHANNA MARIA DE KLERK FOURIE (born WEBB), Plaintiff, and ANTHONIE THEUNIS CHRISTOFFEL FOURIE and SOPHIA MARIA HURTER, assisted by her Husband, JACOBUS NICOLAAS HURTER, Defendants.

PLAINTIFF'S INTENDIT.

Filed of record this 20th day of October, 1903.

1. The Plaintiff resides at Greylings Kraal, in the District of Somerset East, and the first Defendant is her husband, who lately resided at Greylings Kraal aforesaid, but whose present whereabouts are to the Plaintiff unknown.

2. The second Defendant also resides at Greylings Kraal aforesaid, and is assisted as far as need be by her husband, JACOBUS NICOLAAS HURTER.

3. The Plaintiff and the first Defendant were lawfully married together in community of property at Somerset East on the 7th day of April, 1903.

5. At divers times during the months of April, May, June, July and August, 1903, and at Greylings Kraal aforesaid, the first and second Defendants committed adultery and had carnal intercourse with each other.

6. By reason of the said adultery the Plaintiff has been deprived of the comfort, society, fellowship and support of her husband, the first Defendant, and has sustained damage in the sum of £500.

As against the second Defendant.

8. Or otherwise in case the adultery in the 5th paragraph hereof referred to be found not proven, the Plaintiff says that on the 15th day of August, 1903, and at Greylings Kraal aforesaid, the first Defendant wrongfully, unlawfully and maliciously deserted and left the Plaintiff, and has remained absent from her ever since.

9. Wherefore the Plaintiff prays :—

(*a*) That the first Defendant may be ordered to return and restore to her her conjugal rights, or in default thereof,
(*b*) A decree of divorce.
(*c*) Custody of the minor child.
(*d*) Forfeiture by the first Defendant of the benefits accruing to him by virtue of the said marriage in community.
(*e*) General relief and costs of suit.

DINSDAG, 27 OCTOBER, 1903.

PROCLAMATIE

DOOR ZIJNE EXCELLENTIE DEN EDELEN SIR WALTER FRANCIS HELY-HUTCHINSON,

Ridder Grootkruis van de hoogst Onderscheiden Orde van St. Michael en St. George, Gouverneur en Opperbevelhebber van Zijner Majesteits Kolonie de Kaap de Goede Hoop, en van de grondgebieden en de aanhoorigheden daarvan, enz., enz., enz.

NADEMAAL ik met Proclamatie No. 122, gedateerd den 15den Juli 1901, proklameerde en bekend maakte, dat niettegenstaande eenig iets vervat in Proclamatie No. 18, gedateerd 21 Januari 1901, het wettig zal zijn, onderworpen aan de Regulaties vervat in de hierbij gevoegde Schedule om hoorn vee in deze Kolonie binnen te brengen uit dat deel van het Grondgebied van Duitsch Zuid West Afrika dat zuidelijk ligt van den Quarantaine gordel, opgericht ongeveer bij den 24sten parallel zuider breedte.

En nademaal het mij is gebleken dat de ziekte onder vee bekend als Runderpest nu heerschende is in genoemd deel van Duitsch Zuid West Afrika, liggende zuidelijk van den Quarantaine gordel, en het derhalve noodig is genoemde Proclamatie No. 122, gedateerd 15 Juli 1901, in te trekken.

Zoo is het derhalve dat ik, onder en krachtens de machten en het gezag mij verleend in Wet No. 27 van 1893, en Wet No. 2 van 1897, mits deze proklameer, verklaar en bekend maak dat van en na dezen datum, de genoemde Proclamatie No. 122 van 1901, tezamen met de Regulaties daaronder uitgevaardigd, mits deze herroepen en ingetrokken is: dus op nieuw in werking stellend met betrekking tot het genoemde zuidelijk deel van Duitsch Zuid West Afrika, de bepalingen van genoemde Proclamatie No. 18, gedateerd 21 Januari 1901, welke het inbrengen van hoorn vee in deze Kolonie uit eenig deel van het Grondgebied van Duitsch Zuid West Afrika geheel en al verbiedt.

GOD BEHOEDE DEN KONING!

Gegeven onder mijne handteekening en het publieke zegel van de Kolonie de Kaap de Goede Hoop, dezen 19den dag van October, 1903.

WALTER HELY-HUTCHINSON,
Gouverneur.

Departement van Landbouw,
Kaap de Goede Hoop, 24 September, 1903.

KROONLANDEN VOOR UITKIEZING ONDER WET 40 VAN 1895.

OVEREENKOMSTIG de bepalingen van Sectie VII. van Wet 40 van 1895, wordt hiermede kennis gegeven voor algemeene informatie dat de ondergenoemde plaatsen, gelegen in de Afdeeling van Van Rhijnsdorp, open zullen wezen voor uitzoeking van en na Woensdag, den 6den dag Januari, 1904, op de wijze en bepalingen vermeld in de gezegde Wet 40 van 1895, en hieronder uiteengezet.

1. Ieder aanzoek voor zulk land zal schriftelijk moeten gedaan worden aan den Civielen Commissaris van de Divisie in welke zulk land gelegen is, die daarop zal noteeren den dag waarop zulk aanzoek door hem ontvangen werd, en ze dan onmiddellijk aan den Minister toezenden.

2. Voor het doeleinde van deze Wet, zullen indien er twee of meer aanzoeken ontvangen worden voor hetzelfde land op denzelfden dag na den datum vastgesteld in de kennisgeving, dezelve beschouwd worden als ter gelijkertijd gedaan, en alle aanzoeken gedaan vóór den datum vastgesteld in de kennisgeving zullen beschouwd worden alsof zij gedaan werden op den datum alzoo vastgesteld.

3. De Minister zal de landen waarvoor alzoo aanzoek gedaan werd bedeelen volgens de prioriteit van aanzoek, mits dat indien er twee of meer aanzoeken gedaan werden te gelijker tijd voor hetzelfde land, het recht van prioriteit bepaald zal worden door loten.

4. Ieder aanzoeker voor land onder de provisies van deze Wet zal een declaratie maken, en bij zijn aanzoek voegen, luidende als volgt:—

> Ik, [A.B.] (voeg in woonplaats en occupatie), verklaar hiermede plechtig en oprecht dat ik een-en-twintig jaren oud ben en boven, en dat ik dit tegenwoordige aanzoek doe voor mijn uitsluitend eigen voordeel, en niet direkt of indirekt "voor het gebruik of voordeel van eenig ander persoon hoegenaamd," dat ik niet eigenaar ben van eenig land, dat ik geen schikking of overeenkomst gemaakt heb om eenig ander persoon zulks te doen verkrijgen door koop of anderszins, het land waarvoor dit aanzoek gemaakt is."

5. Ieder aanzoeker op den tijd wanneer aanzoek gedaan wordt zal met den Civielen Commissaris van de Divisie in welke zulk land gelegen is deponeeren een somma gelijkstaande aan het een-en-twintigste van de waarde van zoodanig land, en van de landmeting en andere onkosten in verband daarmede, en ingeval dat hij verzuimt of weigert om het land te nemen waarvoor aanzoek gedaan werd, indien aan hem bedeeld zal de genoemde som absoluut verbeurd wezen aan het Gouvernement: Mits dat in het geval het land waarvoor aanzoek gedaan werd, niet aan hem bedeeld wordt, het geld door hem gedeponeerd dadelijk aan hem terug betaald zal worden.

6. Aan eenig persoon die meerderjarig is, kan land bedeeld worden onder de provisies van deze Wet, maar geen persoon die de geregistreerde eigenaar is van eenig land binnen de Kolonie, en geen persoon die bij den tijd van aanzoek eenig schikking of overeenkomst gemaakt heeft om eenig ander persoon toe te laten te verkrijgen door kooping of anderszins, het land waarvoor aldus aanzoek gedaan wordt, zal land toebedeeld worden en geen persoon kan meer dan één stuk ontvangen krachtens uitzoeking, onder deze Wet.

7. De Minister zal aan den eersten aanzoeker die voldaan zal hebben aan de genoemde condities, voor eenig land onder deze Wet, of in geval van twee of meer aanzoeken voor hetzelfde land aan den aanzoeker bepaald door lot, eene licentie geven om het land te houden voor welk aanzoek gedaan werd op de volgende voorwaarden en condities:—

(*a*) De licentie zal wezen voor vijf jaren, berekend van den aanstaanden eersten Juli, of eersten Januari volgende de datum van licentie, en zal insluiten het tijdperk tusschen den datum van licentie en zulk dag.

(*b*) De jaarlijksche betaling in verband van zoodanige licentie zal gelijkstaande wezen aan een-twintigste van den prijs vastgesteld voor het land alzoo gehouden, tezamen met een-twintigste van de opmeting, en andere onkosten van zoodanige land, en zal vooruit betaald worden.

(*c*) Het deposit betaald op den tijd van aanzoek zal in betaling wezen voor het bedrag betaalbaar op den aanstaande eersten dag van Januari of Juli zooals het geval is.

(*d*) Den persoon aan wien zulke licentie uitgereikt is, zal binnen zes maanden van de uitreiking van zijn Licentie persoonlijk het land bewonen dat hem bedeeld werd en zal op zoodanig land blijven, voor een tijdperk van vijf jaren, behalve als hierna bepaald is of totdat hij een grondbrief ontvangen zal hebben voor zoodanig land.

8. Geen land gehouden onder de provisies van deze Wet zal getransporteerd kunnen worden gedurende den duur van de licentie genoemd in de voorafgaande clausule.

9. In geval van verzuim gedurende den duur van de licentie om te voldoen aan de condities van occupatie, kan de Minister de licentie geheel en al verbeurd verklaren en het land in verband waarmede de licentie uitgereikt is zal naar het Gouvernement terug vervallen: Tenzij dat indien het bewezen wordt naar den voldoening van den Minister dat het verzuim van occupatie veroorzaakt wordt door droogte, hij zulk verzuim kan verontschuldigen; maar zulke verontschuldiging zal niet gegeven worden voor een tijdperk van meer dan twaalf maanden, tenzij zulke droogte aanhoudt voor een langer tijdperk.

10. Na verloop van vijf jaren voor welke eenig licentie gegeven is, en indien het den Minister blijkt dat aan de condities daarin vervat behoorlijk voldaan is, zal hij laten uitreiken aan den licentiehouder een concessie op het land gehouden en bewoond door hem op erfpacht, onderworpen aan betaling van vijftien jaarlijksche paaiementen, elk van het bedrag van een twintigste van de waarde van het land, tezamen met de waarde van de landmeting en andere onkosten die een eerste last zullen wezen op zulk land, en verzekerd zullen worden door een verband ten gunste van het Gouvernement; Mits dat in geval bewezen is geworden ter bevrediging van den Minister, die certificaten zal noodig hebben tot dien effekte, dat de licentie houder na twee jaren van occupatie permanente verbeteringen gemaakt heeft op het land bewoond door hem onder zoodanige licentie, ten minste van gelijke waarde van genoemd land, de Minister dan aan

hem kan uitreiken een grondbrief voor het land gehouden of bewoond door hem tegen betaling van zoovele jaarlijksche paaiementen van een-twintigste van de waarde van het land, tezamen met de waarde van de opmeting en andere onkosten, als tezamen met jaarlijksche paaiementen die door hem betaald werden in verband van de licentie van genoemde grond, de geheele waarde opmaken, en zulke jaarlijksche paaiementen verschuldigd, zullen verzekerd worden door verband.

11. Indien eenig paaiment niet betaald wordt binnen drie maanden vanaf den datum op welk het schuldig en betaalbaar is, zal een additioneele som gelijkstaande aan een vierde deel daarvan bijgeteld worden, als een boete, en zal, tezamen met de onbetaalde paaiment, inbaar wezen door dagvaarding van het Gouvernement in eenig bevoegde Gerechtshof.

Deze plaatsen zullen geallotteerd worden op voorwaarde dat de Gelicentieerde niet vergund is gedurende den duur van zijne Licentie, eenig bosch hout of boomen groeiende op het land te hakken of te vernielen, behalve zooveel als redelijk noodig is voor eigen gebruik, en voor de voordeelige occupatie van het land, doch niet om te verkoopen.

De teekeningen en Licentie Akten kunnen gezien worden ten kantore van den Civielen Commissaris van Van Rhijnsdorp, en ten kantore van den Landmeter-Generaal, Kaapstad.

IN terms of Section 4, Act 26, of 1891, as re-enacted by Act No. 18 of 1897, it is hereby notified that the following pieces of Crown Land, situate in the Division of Gordonia will be offered for Lease, by Public Auction, in front of the Civil Commissioner's Office, at Upington, at 10 o'clock, a.m., on Saturday, 7th November, 1903, subject to the conditions and stipulations hereinafter contained, and further to such conditions as may be declared on the day of Sale.

The Land will be let on Lease for any term not less than one year and not exceeding five years, to the highest bidder.

The following are the Conditions of Lease:—

1. One year's rent shall be paid to the Civil Commissioner on the day of Sale, and if the term of the Lease shall exceed one year the due payment in advance of the rent for the subsequent year or years shall be secured by approved sureties; provided that the Civil Commissioner may receive two years' rent in advance, in which case the said security shall not be required.

2. The Government reserves the right of terminating the Lease should it be thought expedient to sell the land or other circumstances render it necessary or expedient at any time, at two months' notice; and in such case the proportion of paid rent for any unexpired portion of the current year shall be refunded to the Lessee.

3. Government Land Surveyors employed in the survey of Crown or other lands with their assistants and servants, shall have the right of access at any time to any part of the land leased for professional purposes, and the right of occupying any part of the land, and grazing and watering their cattle or horses on all pastures and at all waters.

7. The Government does not undertake to point out any beacons. The description of the Lot will be given on the day of Sale of the Leases, and the Lessee will thereupon be expected to find the extent leased by him.

11. The Lessee shall not transfer the Lease nor sublet the land or any portion of it, or any buildings or erections thereon, without the written sanction of the Government first obtained.

12. The Lessee shall wholly and absolutely forfeit his Lease upon the breach of any condition binding him.

13. The Government reserves to itself the right to limit the number of persons who may reside on the land hereby leased during the subsistence of the lease, and, upon the recommendation of the Civil Commissioner, after due enquiry made with cognisance of the Lessee, either to remove such numbers of persons as it may consider excessive or to cancel the lease as may seem to it equitable under the circumstances.

Each Lot will be put up at the upset price fixed, and the highest bidder who shall have offered not less than such upset price shall be declared the purchaser, and every such purchaser shall have the option of paying either the whole or a part of the purchase money on the day of sale: Provided:

(i) That if no payment be made on the day of sale one tenth of the purchase price shall be paid at six and one-tenth at twelve months from the day of sale.

3. Government Land Surveyors employed in the survey of Crown or other lands, with their assistants and servants, shall have the right of access at any time to any part of the land leased for professional purposes, and the right of occupying any part of the land, and grazing and watering their cattle or horses on all pastures and at all waters.

12. The Lessee shall wholly and absolutely forfeit his Lease upon the breach of any condition binding him.

13. The Government reserves to itself the right to limit the number of persons who may reside on the land hereby leased during the subsistence of the Lease, and, upon the recommendation of the Divisional Council, after due enquiry made with cognisance of the Lessee, either to remove such numbers of persons as it may consider excessive or to cancel the Lease as may seem to it equitable under the circumstances.

(i) That if no payment be made on the day of sale one-tenth of the purchase price shall be paid at six and one-tenth at twelve months from the day of sale.

EDWARD THE SEVENTH, by the Grace of God of the United Kingdom of Great Brittain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India.

To the Sheriff of the Colony of the Cape of Good Hope, or his lawful Deputy, Greeting:—

WHEREAS upon the Petition of JAN JOHAN MICHAU, of Cape Town, it appears to us that ALBERT GEISSLER, of Johannesburg, is justly and truly indebted to the said Petitioner in the sum of Five Hundred Pounds Sterling (£500 0s. 0d.), being the amount of a certain Mortgage Bond passed by him in favour of said Petitioner on the 23rd April, 1903; and whereas it further appears to us that the said Defendant has clandestinely left his dwelling house and departed to the Transvaal, and that he has made no provision for the payment of the Petitioner's debt, or any part thereof, nor has he authorised any person to do so; also that the said Defendant has left his dwellinghouse and departed from this Colony with the intent to defeat, or delay, the petitioner and his other creditors in obtaining payment of their debts; and that in consequence thereof the said Defendant had committed an act of Insolvency.

And whereas it further appears to us that on the 22nd day of June last one BENJAMIN BARTHOLOMEW obtained judgment against to said Defendant in the Court of the Res dent Magistrate of Wynberg for the sum of £29 5s 0d, and a writ of execution for the said sum together with £3 4s. 3d. was issued out of the said Court, to which said writ a return of "nulla bona" has been made, and that in consequence thereof the said Defendant has committed an act of Insolvency.

Whereupon the Petitioner prayed that the Estate of the said ALBERT GEISSLER might be sequestrated for the benefit of the creditors thereof.

And whereas it further appears to us of record that the Honourable Justice MAASDORP, one of the Judges of the Supreme Court of our said Colony, did, by an order under his hand, bearing date the 23rd October, 1903, place the Estate of the said ALBERT GEISSLER under sequestration in the hands of the Master of the Supreme Court, until the same should be thereafter adjudged to be sequestrated.

Now, therefore, we command you that you summon the said ALBERT GEISSLER that he appear before our Judges of our Supreme Court of our said Colony, at Cape Town, on the 14th day of November, 1903, at 10:30 o'clock in the forenoon, to show cause, if any, why his Estate should not, by sentence, of the said Supreme Court, be adjudged to be sequestrated for the benefit of his creditors; and serve on the said ALBERT GEISSLER, a copy of this summons, and return you this summons immediately after the service thereof with whatsoever you have done thereupon.

Witness: The Right Honourable Sir JOHN HENRY DE VILLIERS, K.C.M.G., our Chief Justice of our said Colony, at Cape Town, the 27th day of October, 1903, in the Third year of our Reign.

Acting Asst. Registrar of the

LEGISLATIVE COUNCIL ELECTION: RECORDING OF VOTES BY REGISTERED VOTERS.

IT is hereby notified, for general information, in connection with the forthcoming Election of Members of the Legislative Council:

(1) That in the *Electoral Division of Cape Town*, Voters can only vote at the Polling Station of the particular District in and for which they are registered, and not elsewhere; and

(2) That Voters registered in the *other Electoral Divisions in the Colony* may vote at *any* Polling Station within the Electoral Division on the Registered Voters' List of which their names appear, but that before they will be permitted to vote at any Polling Station *outside the particular Field-cornetcy* for which they were registered in such Electoral Division, it will be necessary for them to make a declaration, forms of which will be provided at every Polling Station, to the effect that they have not voted, and undertake not to vote at any other Polling Station in such Electoral Division.

Voters cannot, of course, under any circumstances, vote at a Polling Station outside the Electoral *Division* for which they are registered, and should it so happen that a voter's name appears on more than one of the Registered Lists of Voters of the Electoral Divisions above referred to, such voter is reminded that it is not lawful for him to vote for more than one Electoral Division in the Electoral Province. In other words he can only vote once at the Election in question.

BALLOT ACT.

Poll to be taken on the 10th November, 1903.

THREE CANDIDATES TO BE ELECTED.

Directions for the Guidance of the Voter in Voting.

The Voter has THREE votes, which he can distribute among the Candidates as he pleases. He can, if he chooses, give all his votes to one Candidate.

The Voter will go into one of the Compartments and, with the pencil provided in the Compartment, place a cross on the right hand side, opposite the name or names of the Candidate or Candidates for whom he votes, thus **X**. *He must not sign his name.*

A vote recorded in any other manner will be rejected.

EXAMPLES:

(1)

1.	**BROWN.** (John Brown, of 52, Adderley Street, Cape Town, Merchant.)	X
2.	**JONES.** (William David Jones, of Wynberg, Farmer.)	X
3.	**ROBINSON.** (James Robinson, of Uitenhage, Woolwasher.)	X
4.	**SMITH.** (Thomas Smith, of Kimberley, Speculator.)	

(2)

1.	**BROWN.** (John Brown, of 52, Adderley Street, Cape Town, Merchant.)

3.	**ROBINSON.** (James Robinson, of Uitenhage, Woolwasher.)	
4.	**SMITH.** (Thomas Smith, of Kimberley, Speculator.)	

The Voter will then fold up the Ballot Paper so as to show the Official Mark on the back, and leaving the Compartment, will, without showing the front of the paper to any person, show the Official Mark on the back to the Presiding Officer, and then in the presence of the Presiding Officer, put the paper into the Ballot Box, and forthwith quit the Polling Station.

If the Voter inadvertently spoils a Ballot Paper, he can return it to the Officer, who will, if satisfied of such inadvertence, give him another paper.

If the Voter signs the paper or places on it any mark by which he may be afterwards identified, or votes for more than three Candidates, his Ballot Paper will be void, and will not be counted.

If the Voter takes a Ballot Paper out of the Polling Station, or deposits in the Ballot Box any other paper than the one given him by the Officer, he will be guilty of a contravention of the Franchise and Ballot Act, 1892, and be subject to imprisonment for any term not exceeding six months with or without hard labour.

LEGISLATIVE COUNCIL ELECTION: RECORDING OF VOTES BY REGISTERED VOTERS.

IT is hereby notified, for general information, in connection with the forthcoming Election of Members of the Legislative Council:

(1) That in the *Electoral Division of Cape Town*, Voters can only vote at the Polling Station of the particular District in and for which they are registered, and not elsewhere; and

(2) That Voters registered in the *other Electoral Divisions in the Colony* may vote at *any* Polling Station within the Electoral Division on the Registered Voters' List of which their names appear, but that before they will be permitted to vote at any Polling Station *outside the particular Field-cornetcy* for which they were registered in such Electoral Division, it will be necessary for them to make a declaration, forms of which will be provided at every Polling Station, to the effect that they have not voted, and undertake not to vote at any other Polling Station in such Electoral Division.

Voters cannot, of course, under any circumstances, vote at a Polling Station outside the Electoral *Division* for which they are registered, and should it so happen that a voter's name appears on more than one of the Registered Lists of Voters of the Electoral Divisions above referred to, such voter is reminded that it is not lawful for him to vote for more than one Electoral Division in the Electoral Province. In other words he can only vote once at the Election in question.

BALLOT ACT.

Poll to be taken on the 10th November, 1903.

THREE CANDIDATES TO BE ELECTED.

Directions for the Guidance of the Voter in Voting.

The Voter has THREE votes, which he can distribute among the Candidates as he pleases. He can, if he chooses, give all his votes to one Candidate.

The Voter will go into one of the Compartments and, with the pencil provided in the Compartment, place a cross on the right hand side, opposite the name or names of the Candidate or Candidates for whom he votes, thus **X**. *He must not sign his name.*

A vote recorded in any other manner will be rejected.

EXAMPLES:

(1)

1.	**BROWN.** (John Brown, of 52, Adderley Street, Cape Town, Merchant.)	**X**
2.	**JONES.** (William David Jones, of Wynberg, Farmer.)	**X**
3.	**ROBINSON.** (James Robinson, of Uitenhage, Woolwasher.)	**X**
4.	**SMITH.** (Thomas Smith, of Kimberley, Speculator.)	

(2)

1.	**BROWN.** (John Brown, of 52, Adderley Street, Cape Town, Merchant.)	
2.	**JONES.** (William David Jones, of Wynberg, Farmer.)	**X**
3.	**ROBINSON.** (James Robinson, of Uitenhage, Woolwasher.)	**X**
4.	**SMITH.** (Thomas Smith, of Kimberley, Speculator.)	**X**

(3)

1.	**BROWN.** (John Brown, of 52, Adderley Street, Cape Town, Merchant.)	**X**

3.	**ROBINSON.** (James Robinson, of Uitenhage, Woolwasher.)	**XX**
4.	**SMITH.** (Thomas Smith, of Kimberley, Speculator.)	

(4)

2.	**JONES.** (William David Jones, of Wynberg, Farmer.)	**XXX**
3.	**ROBINSON.** (James Robinson, of Uitenhage, Woolwasher.)	
4.	**SMITH.** (Thomas Smith, of Kimberley, Speculator.)	

The Voter will then fold up the Ballot Paper so as to show the Official Mark on the back, and leaving the Compartment, will, without showing the front of the paper to any person, show the Official Mark on the back to the Presiding Officer, and then in the presence of the Presiding Officer, put the paper into the Ballot Box, and forthwith quit the Polling Station.

If the Voter inadvertently spoils a Ballot Paper, he can return it to the Officer, who will, if satisfied of such inadvertence, give him another paper.

If the Voter signs the paper or places on it any mark by which he may be afterwards identified, or votes for more than three Candidates, his Ballot Paper will be void, and will not be counted.

If the Voter takes a Ballot Paper out of the Polling Station, or deposits in the Ballot Box any other paper than the one given him by the Officer, he will be guilty of a contravention of the Franchise and Ballot Act, 1892, and be subject to imprisonment for any term not exceeding six months with or without hard labour.

GOVERNMENT NOTICE.

[997.] [1903.]

Treasury, Cape Town,
5th November, 1903.

HIS Excellency the Governor, with the advice of the Executive Council, has been pleased to approve of the following Plan of Account Books and Accounts, designed for the use of Civil Commissioners, and such Magistrates and Assistant Magistrates as may be specially authorised by the Treasury to discharge similar duties in regard to Revenue or Expenditure, with accompanying explanations framed by the Controller and Auditor-General, and to direct that the receipts and payments of such officers shall be recorded and accounted for in accordance with such plan.

WM. A COLLARD,
Assistant Treasurer.

Office of the Controller and Auditor-General,
Cape Town, 30th December, 1902.

PART I. of a Plan of Account Books and Accounts designed for the use of Civil Commissioners, and such Magistrates and Assistant Magistrates as may be specially authorised by the Treasury to discharge similar duties in regard to Revenue or Expenditure, with Specimen Entries and Explanations, to illustrate the method of recording and accounting for their Receipts and Payments.

Since the issue of Part I. of a Plan of Account Books and Accounts for the guidance of Civil Commissioners in 1882, under Government Notice No. 679 of 1882, which, together with Government Notice No. 1,259 of 1883 is hereby cancelled, such considerable changes have from time to time been made in the Books kept and Accounts rendered by these officers, as to necessitate the issue of an amended Edition.

Some of these changes are simplifications warranted by the greatly increased familiarity of public Accountants with the principles and practice of the Scheme of the Public Accounts of the Colony, others, such as those connected with Postal Receipts, Stamps, etc., are due to administrative changes, others are due to the comparatively recent appropriation by law of certain heads of Revenue (such as the proceeds of Land Sales, etc.), to the reduction of the Public Debt, while some have been introduced to meet the wishes of Accounting Officers, or of the Treasury.

1. Civil Commissioners are public Accountants in two capacities:—

Firstly:—As Divisional Receivers of Revenue, they are the deputies of the Assistant Treasurer, who, as the Receiver-General of Revenue, is responsible for the due collection and safe custody of the entire Colonial Revenue, and in this capacity they are directly accountable to that officer, to the Accounting Officers of departmentally-audited Revenue, and to the Controller and Auditor-General.

Secondly:—As Divisional Paymasters, they are the deputies of the Paymaster-General of the Colony, and the agents of all "Accounting Officers." for expenditure who may find it convenient or may be required to avail themselves of their services, and in this capacity they are responsible to the Paymaster-General for their operations on his account, to those "Accounting Officers" who actually employ them, and to the Controller and Auditor-General.

2. Such Magistrates and Assistant Magistrates as may be specially authorised by the Treasury to discharge similar duties in regard to Revenue or Expenditure are also Divisional Receivers of Revenue or Divisional Paymasters as the case may be.

I.—REVENUE.

3. Every Receiver of Revenue shall keep a Revenue Cash Book, making entries therein as illustrated in the annexed specimen book, showing on the Dr. side all items of Revenue received day by day, remittances from other Receivers of Revenue, etc., and on the Cr. side, how the money thus received has been disposed of.

4. Great care must be exercised in distinguishing between receipts treated as Revenue, and those which, under present arrangements, are lodged to the credit of a Vote, or to that of a Deposit Account.

5. Thus in the case of Reimbursements, and Miscellaneous and Special Receipts, it is in many cases quite impossible to draw any logical distinction between those which are treated as Revenue, and those which are treated as Receipts to the credit of a Vote, and in practice Receivers of Revenue must be guided by Regulation 162 of Chapter III. of the Audit Regulations, and may be assisted in cases of doubt by the classification in Chapters XVII. and XIX. of Sources of Revenue.

6. Then, while the proceeds of the sale of Revenue and Postage Stamps, Premiums on Money Orders, etc., are undoubtedly Revenue, and are ultimately accounted for as such, they are, under present arrangments, lodged in the first instance to the credit of the Postmaster-General's Deposit Account, and are not treated by Civil Commissioners as Revenue.

7. Further, by Act 11 of 1897, all moneys received after the 1st of July, 1896, as proceeds of the sale of Crown Lands, are not treated as ordinary Revenue, but are at once lodged to the credit of the Sinking Fund Deposit Account, administered by the Accounting Officer of the Treasury. The sub-heads of this class of Receipts will be found in Chapter IV of Sources of Revenue.

8. Again, by Act 12 of 1900, all surplus interest and lapsed funds previously paid into Revenue by the Master of the Supreme Court;

Unclaimed Interest on Public Debt;
Unclaimed, drawn, or expired Debenture Bonds, or other Government Stock;
Proceeds of Unclaimed Property and Stock;
Unclaimed Deposits in the Post Office Savings Bank;
Long outstanding Treasury Drafts;
Surplus Interest on the administration of funds belonging to the Post Office Savings Bank; and
Proceeds of Customs Rummage Sales;

are similarly lodged to the credit of the Sinking Fund Deposit Account.

9. In illustrating the transactions of Divisional Receivers of Revenue and Divisional Paymasters, it is very necessary to distinguish between stations where there is a branch or agency of the Standard Bank, and where no such branch or agency exists, but it is not deemed necessary to construct specimen Cash Books for both classes of stations, as the distinction between them is fully explained, and is sufficiently illustrated by the two specimen Cash Accounts.

10. In order to illustrate every usual contingency, it has been assumed that one of the divisions (called Montrose) includes:—

(*a*) The station of a Resident Magistrate in whose district (called Arbroath) there is a Native Location, and who renders Accounts governed by Chapter V of the Audit Regulations;
(*b*) That of a Special Magistrate of a Native Location (called Toleni), who, financially, is merely a Sub-Collector of Revenue;
(*c*) Officers of the Forest Department;
(*d*) A Commissioner of Police, etc.;

and for the purpose of illustration, the month of July, 1902, has been chosen, but to show the connection between the Accounts of a Civil Commissioner and those of such a Resident Magistrate as that referred to, the Accounts of the latter for the previous month (June) are illustrated.

A.—*Cash Book at a Banking Station* (*Montrose*).

11. It will be observed that the receipts are all numbered. For several kinds of revenue Divisional Receivers of Revenue are supplied with special books, in which the folios are consecutively numbered. Receipts for kinds of revenue for which no special book exists are given from the miscellaneous receipt book, with which they are also supplied. Specimens of each of these existing books are annexed.

12. As a rule these do not require comment, but the requirements of the Audit Regulations 23-27 of Chapter II. should be carefully attended to.

13. The Cr. side illustrates the rule of daily payments of collections into a branch or agency of the Standard Bank to the credit of the Exchequer account by deposit receipts marked "Receiver-General," and the exceptions when, as on the 3rd, 12th, etc., of July, the amounts are so trifling—£3 17s., £4 16s. 2d., etc.—that the Civil Commissioner has not deemed it necessary to deposit them. To enable him to make such deposits, he is furnished with a Receiver-General's deposit-receipt book in which the folios are consecutively numbered.

B.—*Cash Book at a Non-Banking Station (Amalinda).*

14. The difference between the entries at a non-banking and those at a banking station depends chiefly on the disposal of collections. In order to illustrate every ordinary contingency, it is assumed that the collections are largely in excess of local payments. It is the duty of Civil Commissioners at such stations to keep a cash balance not larger than is sufficient to enable them to make their payments as Divisional Paymasters.

15. It is thus supposed that on the 8th the Civil Commissioner receives over £2,000 in gold, notes, and bank drafts; of this he remits the same day to the Civil Commissioner of Montrose £1,000 in notes or in drafts on a Montrose bank or in gold. It is further supposed that he also has £1,350 in notes, or in drafts on Cape Town banks, or on the Treasury, which he remits by first post to the same Civil Commissioner unless otherwise directed by the Treasury. The chief peculiarity at such a station appears at the end of the month.

16. At a banking station a Divisional Receiver of Revenue deposits his collections to the credit of the Exchequer account by deposit receipts marked "Receiver-General," and his collections as Divisional-Paymaster to the account of the Paymaster-General by deposit receipts marked "Paymaster-General," he thus, as a rule, has no cash balances at the close of the day. At a non-banking station it is not expedient that he should have two chests; it is therefore ordinarily supposed that all collections are lodged in the Exchequer chest, and that all payments are made therefrom. If then a balance were struck on his two cash books, on any day, the probabilities are that the revenue balance would exceed the cash actually on hand, while the expenditure book would show an excess of payments over receipts, the deficiency on the one account exactly equalling the surplus on the other.

17. At the end of the month this must be adjusted. In the ordinary case, that in which the expenditure of the Divisional Paymaster exceeds the receipts (including drafts drawn), the expenditure cash book must be closed in accordance with Regulation 118 of Chapter III. of the Audit Regulations.

18. If however it is the case in any Division, that the receipts of the Divisional Paymaster on behalf of Deposit Accounts, etc., habitually exceed his payments, the Treasury may direct that the revenue cash book shall be closed in a similar manner (*vide* Regulation 119 of Chapter III. of the Audit Regulations). This contingency is rare and is not illustrated.

19. At the close of each month every Divisional Receiver of Revenue should, after closing and balancing his revenue cash book, abstract his transactions during the month, and prepare a cash account, in duplicate, on the form C.A. 14, and should also prepare supporting vouchers as illustrated in the annexed specimens. It will be observed that the form is adapted for the use of all stations, but there should be no balance at a banking station except in the rare event of revenue being received on the last working day of the month, after the exceptionally late hour, up to which on such days the Standard Bank agrees to receive public money.

20. The item "Revenue" in the cash account on the form C.A. 14 must be supported by a detailed abstract, also in duplicate, on the form C.A. 20, showing the total amounts collected under each head of revenue. It is not deemed necessary to illustrate the form C.A. 20 at Amalinda, but an illustration of the form without vouchers is given at Arbroath, to show incidentally that Hut Tax may be finally accounted for at such a station (*vide* paragraph 33 hereof).

21. The heads of Revenue are divided into two great classes, according as Departmental audit does not or does exist, and while it might have been arranged that the vouchers of such revenue as is departmentally audited by any Accounting Officer should be sent direct to such officer, it has been deemed preferable that all vouchers of departmentally audited revenue should in the first instance be sent direct to the Treasury, for distribution to the several Accounting Officers concerned.

22. Great care having been taken to provide separate printed headings for every description of revenue collected by Divisional Receivers of Revenue excepting only the most unusual ones, the preparation of this abstract requires no detailed explanation, save that when any very unusual item, for which no heading exists, presents itself, it must be entered, in writing, in that one of the reserved blank spaces which follows next after the most closely allied description of revenue.

23. It is not necessary to illustrate all the sub-vouchers in support of the items in the Revenue abstract on C.A. 20, care however has been taken to illustrate all cases in which any difficulty is likely to arise.

24. As a rule these sub-vouchers need no explanation, but to this rule those for land revenue form a notable exception.

25. Unfortunately in the case of Land Revenue falling due on the 1st of January in each year, while the amounts accruing under certain sub-heads marked (*a*), (*b*), and (*c*) in Regulation 41 of Chapter II. of the Audit Rules and Regulations are payable in arrear in respect of the year then expired, those accruing under other sub-heads marked (*h*), (*i*), (*j*), and (*k*) are payable

Digitized by Google

in advance in respect of the year then commencing, and of those accruing under the sub-heads marked (*d*), (*e*), (*f*), and (*g*), many are payable in arrear, and many are payable in advance.

26. To prevent as far as possible this anomaly being a source of error and confusion, it has been deemed advisable to arrange that Land Revenue should be carried to separate folios in the Land Revenue Ledgers according as it is payable in arrear or in advance.

27. It will be observed that items falling due on the 1st of January, 1902, and received in July, 1902, are styled "Current for 1901" when payable in arrear, and "Current for 1902" when payable in advance, and it might fairly be held that as the amounts do not fall due until the 1st of January, 1902, the former should, like the latter, be styled "Current for 1902."

28. This point has been carefully considered, and it has been decided that it is on the whole better to adhere to the hitherto existing practice.

29. It will also be observed that the native quitrents collected by the Special Magistrate of Toleni are accounted for by the Civil Commissioner in the month in which they were actually collected, but that under the arrangements provided for in Chapter V. of the Audit Regulations, the quitrents collected by the Resident Magistrate of Arbroath in June do not appear in the accounts of the Civil Commissioner till July, seeing that by Regulation 2 of that Chapter, the Resident Magistrate is not required to forward vouchers to the Civil Commissioner until the end of the month. If however the receipt of quitrent by such a Magistrate were very rare, he might advise his occasional collections at any time, and in that case they would probably appear in the accounts of the Civil Commissioner for the same month.

30. As regards Forest Revenue it is assumed that the Foresters at the close of each month render a monthly account of their transactions to the District Forest Officer, and that the latter renders an account as soon as possible after the close of the month to the Civil Commissioner.

31. While it is desirable that the Foresters should pay in their collections to the District Forest Officer as frequently as is practicable, and that the latter should in like manner remit to the Civil Commissioner, whenever opportunity offers, any surplus cash he may have on hand, it is assumed for the sake of simplicity, that no payments on account have been made, but that the revenues collected by the Foresters during June are collected by the District Forest Officer early in July, and paid in to the Civil Commissioner in that month.

32. As the collections are temporarily used to cover salaries, wages, and other payments, the amount of cash actually paid in may be very small.

33. It is assumed that the Hut Tax Register for the District of Arbroath is kept only by the Resident Magistrate, and not also by the Civil Commissioner; it follows that, unlike quitrent, the Hut Tax collected by that Resident Magistrate does not appear in the accounts of the Civil Commissioner.

34. The remaining items (if any) on the Dr. side of the revenue cash account require no vouchers, remittances from other stations being checked by the corresponding Cr. remittances in the accounts of these stations, and any entry in that account at a non-banking station due to the closing of the expenditure cash account described as "Loan from Paymaster-General," being checked by the corresponding entry in the latter account.

35. The entries on the Cr. side are sufficiently illustrated by specimen vouchers:—

(*a*) Of a Receiver-General's deposit receipt at a banking station;

(*b*) Of a receipt of a Civil Commissioner at a banking station for a remittance from a non-banking station

Remittances to the Receiver-General are under present arrangements so rare that no illustration is necessary, and the frequent entry at a non-banking station described as "Loan to Paymaster-General" is checked by the corresponding entry required to close the Expenditure cash account.

36. Although duplicate revenue vouchers have been dispensed with, the records of the Civil Commissioner should not merely contain the materials from which the vouchers are framed, but the vouchers should be virtually transcripts of books kept in his office.

37. Land Revenue Books.

A. *Quitrent Register.*—By means of this book the audit office folio, the quitrent, the date of the last payment of quitrent, and all necessary particulars respecting any grant may be ascertained at any moment. It is desirable that as far as practicable grants should be grouped according to the date when the quitrent falls due, and according as it is payable in advance or in arrear. In larger divisions more than one such book may be required, but in most divisions one book may suffice, different portions being set aside for each description of land revenue, following as closely as possible the classification given in the Audit Regulations 41 to 42 of Chapter II.

B. *Lease-rent Received.*—The same form of ruling will suit lease rents whether of farms or trading stations, etc.

C. *Land Revenue Ledgers.*—Although specimens of Subsidiary Land Revenue Ledgers on form C.A. 122, of Land Revenue Ledgers on form C.A. 121, and of an extract from the Ledger Folios on form C.A. 123 are given in Annexures A, B, C, D, E, and F to Chapter II. of the Audit Rules and Regulations, additional specimens are given in Annexures XXV., XXVI., and XXVII. hereof.

38. HUT-TAX.

A. *Register.*—This should possess a vertical column for each calendar year, in which the dates of payment of the tax for such year should be recorded, so that it may be seen at a glance whether or not each person liable to the tax has duly paid the same for any year, and if so, when.

B. *Ledger.*—At the commencement of each year, the collector of hut-tax should debit himself with the whole amount leviable for the year, according to the register. This original debit should be corrected from time to time by the addition of any amounts leviable in respect of huts newly erected or which had been accidentally omitted, and by the deduction of any amounts not leviable in consequence of the destruction or removal of huts included in the register. He should on the other hand take credit in such ledger for the gross amounts collected during each month, and for any amounts leviable which the collector may have been authorised by Government to write off as irrecoverable. The specimen ledger annexed on the form C.A. 28, enables these operations to be exhibited in a convenient form, and by means of the balance column shows the balances at the end of each month, without interfering with the ordinary entries. The monthly voucher rendered on the form C.A. 37, or form C.A. 37 A, will thus show certain figures all found in the ledger. Each year should have assigned to it a separate double folio in which transactions in respect of the duty leviable in that year are continued until the folio is finally closed by the disappearance of the balance.

39. TRANSFER DUTY RECEIVED.—It will be observed that the ruling of this book substantially agrees with that of the form of voucher.

40. STAMPS AND LICENCES.—In view of the instructions in Regulations 39-52 of Chapter IX. of the Audit Rules and Regulations, and of the very full instructions issued by the Treasury on the subject, no detailed explanations are necessary.

II.—EXPENDITURE.

41. Every Divisional Paymaster shall keep an Expenditure Cash Book, making entries therein as illustrated in the specimen book for Montrose, July, 1902, showing on the debit side:

(*a*) Receipts on behalf of Accounting Officers, including advances repaid (whether in cash or by vouchers), disallowances recovered, and miscellaneous receipts to the credit of any Vote or Act account, taking care, more particularly in the early part of each financial year, to distinguish as far as possible between receipts to the credit of current and arrear Vote accounts. It is obvious that if an advance or overpayment is made out of the amounts voted for any year, the advance repaid or overpayment recovered must ordinarily, and until the account of the year is finally closed, be carried to the credit of the account of that year, but it is ordinarily arranged as regards Miscellaneous receipts to the credit of a Vote, that they shall be carried to the credit of the year which is current at the date of receipt;

(*b*) Receipts on behalf of Deposit Accounts;

(*c*) Drafts drawn, which are styled Remittances from the Paymaster-General;

(*d*) Remittances from other Divisional Paymasters (which in the case of Expenditure accounts occur at few stations);

(*e*) Remittances from Sub-accountants (if any);

(*f*) Any loan from the Exchequer required at a non-banking station to close the account at the end of the month;

(*g*) And any entries necessary for the correction of errors.

42. The expenditure cash book should shew on the credit side:—

(*a*) Deposits (at banking stations) to the credit of the Paymaster-General;

(*b*) Issues for expenditure (whether final payments or advances) and vouchers brought up in settlement of advances or disallowances chargeable to Accounting Officers for Votes or Acts Accounts;

(*c*) Cheques on Public Account cashed;

(*d*) Payments chargeable to Deposit Accounts;

(*e*) Remittances to other Civil Commissioners (which however in the case of Expenditure accounts occur at few stations);

(*f*) Remittances (if any) to Sub-accountants;

(*g*) Any loan to the Exchequer at a non-banking station required to close the account, in the case (which though unusual, sometimes occurs) in which the receipts on the Dr. side of the account exceed the payments under the heads (*a*)—(*f*);

(*h*) and any entries necessary for the correction of errors.

43. The expenditure cash book at a non-banking station differs from that at a banking station in the very small number of drafts on the Paymaster-General drawn at the former, and it is only at such stations that loans to or from the Exchequer can exist.

44. Class (*c*) in paragraph 42 hereof is not really a distinct class. If the cheques are drawn on the Divisional Paymaster they come under Classes (*b*) or (*d*), and are included in the payments on behalf of Accounting Officers or Deposit Accounts, while if they are drawn on another officer, but are cashed under Regulation 38 of chapter VIII., they come under Class (*e*)—Remittances.

45. It will be found that seven, and only seven, different mistakes can well be made by a Divisional Paymaster in making payments by draft. Other errors are indeed possible, but they will either infallibly be detected by the Divisional Paymaster when abstracting his transactions for the month, or must be merely a combination of two or more of the above seven errors. These seven errors are marked (*a*) (*b*) (*c*) (*d*) (*e*) (*f*) and (*g*), and their nature is explained in a memorandum annexed to the specimen expenditure cash book.

46. The expenditure cash book illustrates the rule by which, in order to avoid the unnecessary multiplication of Treasury drafts, officers of the establishment of the Civil Commissioner, may with his sanction make small payments out of their revenue collections, holding the vouchers as cash until the next settlement with the Civil Commissioner.

47. It will be seen that on settling with the Receiver of Revenue, the Civil Commissioner's clerk first receives a Treasury draft on the Paymaster-General to cover a number of small vouchers, and is thus put in a position to account for his collections in cash (*vide* Draft No. 96 for £4 17s. 6d., included in deposit of £98 4s. 2d. to credit of Receiver General, and Draft No. 100 for £1 11s. 0d., included in Deposit of £12 4s. 2d.)

48. Every payment at a banking station need not be covered by Treasury draft, and a deposit need not be made, except on the last day of the month, so long as the sum held in hand be less than £5. In those cases in which the items on both sides are not identical the correctness of the entries may be checked, when deemed desirable, by totalling all receipts and payments up to date, as shown in the specimen book.

49. An instance is given in the Expenditure cash book in which it is supposed that, upon the 21st July an amount of £18 4s. 6d. is received, out of which payments of £6 6s., 4s. 6d., £4 8s., £1 7s. 6d., and £2 7s. 6d. are, on that day, made in cash, leaving £3 11s. in hand; on the 23rd an amount of £25 is received and £1 1s. is paid in cash, the balance of £27 10s. being deposited at the close of the day—the use of Treasury drafts for these small payments being thus avoided. A further illustration will be found on the 25th and 28th July.

50. The steps necessary to close the expenditure cash book at non-banking stations at the end of each month are already indicated. Save in those very exceptional cases, in which, owing to the habitual excess of receipts over payments in the Expenditure cash account, the Treasury deems it expedient that the Revenue account should be closed at the end of the month, rather than the Expenditure account, that account should be closed by an entry on the Dr. or Cr. side, just sufficient to close it, described as a loan to or from the Exchequer as the case may be, and an equal entry should appear on the opposite side of the Revenue account.

51. The Divisional Paymaster will also prepare, on the form C.A. 44, an abstract of his transactions on behalf of each "Accounting Officer" for whom he has made payments, embodying in one form all transactions on his behalf, whether they concern Vote or Act accounts or Deposit accounts.

52. It will be observed that such abstracts (whether at banking or non-banking stations) make no reference whatever to drafts drawn, on the ground that the mode in which the necessary funds are provided (viz.: by drawing drafts) is a purely financial arrangement of the Treasury, which in no way concerns an "Accounting Officer."

53. Space is provided on the form C.A. 44, as illustrated in the annexed specimens, for full particulars of all receipts on behalf of "Accounting Officers," and for an Abstract of Expenditure such as that hitherto recorded on the form C.A. 4.

54. As the "Accounting Officer" must retain a record of all the information given on the form C.A. 44, it is further necessary for the Divisional Paymaster to prepare on the form C.A. 4. an abstract of expenditure on behalf of each "Accounting Officer" (being an exact copy of the similar abstract on the third page of the form C.A. 44), to cover the vouchers when ultimately transmitted by the "Accounting Officer" to the Controller and Auditor-General.

55. Although it is no longer deemed necessary to illustrate more than the accounts of one month, the transactions included in the accounts of Accounting Officers are now of so varied a character, and the supporting vouchers differ so materially, that some explanation seems necessary.

56. But before considering details a general remark may be made. It is observed that a tendency exists in some Accounting Departments to increase the work of Divisional Paymasters by requiring them to render to an Accounting Department more than one Account on the form C.A. 44 in respect of any one month.

57. Now previous to the 28th December, 1898, it was specially set forth by direction of the Government (*vide* Regulation 24 of Chapter VI. of the Regulations under Government Notice No. 1,192 of 1892) that it was deemed necessary for the efficient discharge of the duties of the Treasury that the Pension Fund transactions of Civil Commissioners should be rendered on a

Digitized by Google

separate C.A. 44, but this special requirement having been withdrawn, the present Regulations (*vide* Regulation 26 of Chapter VI. of the Audit Regulations under Government Notice No. 1,103 of 1898) clearly prescribe, that only one account on the form C.A. 44 shall be sent to the Treasury by any Divisional Paymaster in respect of any one month, and obviously the same rule must apply to all departments.

58. It is therefore irregular for any Accounting Department to ask for more than one account on the form C.A. 44 from any Divisional Paymaster for any one month, and irregular for a Divisional Paymaster to render more than one such account to any one department.

59. The account on the form C.A. 44 therefore rendered by any Divisional Paymaster (say) to the Prime Minister's Department, should not only cover transactions in connection with Votes 1 and 5-11 in the Estimates of 1902-03, but also all transactions connected with the Colonial Native Labour Agency Deposit Account.

60. And here two general warnings may be given. In the first place care must be taken not to bring up as Miscellaneous receipts to the credit of a Vote, items which might be treated as Revenue, unless it clearly appears from the Estimates for the year that it was contemplated that items of that character would be thus available. (*Vide* Regulation 162 of Chapter III. of the Audit Rules and Regulations.)

61. In the next place care must be taken to decide whether certain receipts should be brought up to the credit of a vote, or to the credit of a Deposit Account. Thus in the case of Native Labour, any "Contributions from De Beers Consolidated Mines, and others," and "Remittance Fees" received by any Divisional Paymaster, must be brought up by him to the credit of the proper Vote, while, should any deposits from Natives for the purpose of remittance be received by a Divisional Paymaster, or should any over-payment from the Deposit Account be recovered by him, they must be credited to the Deposit Account.

62. As deposits for the purpose of remittance were ordinarily received in Johannesburg, any receipt by a Divisional Paymaster to the credit of the Deposit Account would naturally be very rare, so that no special illustration is necessary.

63. The account on the form C.A. 44 rendered to the Accounting Department of the Colonial Secretary is supported, *inter alia*, by a return on the form G. 287, prepared by the Gaoler, shewing:—

i. The Classification of Prisoners;
ii. The rations issued daily;
iii. A return of Prisoners drawing special diet;
iv. A summary of receipts, issues, and balances of Provisions;
v. A record of the employment of Prisoners sentenced to hard labour; and
vi. A recapitulation, showing earnings, receipts, etc.

As this return is very large, and incapable of convenient condensation, and as a specimen if prepared would be of little practical guidance to Divisional Paymasters, it is not illustrated in the Annexures.

64. The two specimen receipts given in the C. A. 44 of this Department, conveniently illustrate the remark made in Section 41 respecting financial years. For although the receipts for Prison Labour in July represent earnings in the previous financial year, 1901-02, it is far more convenient to treat them as "Current," 1902-03. The amount was indeed earned in the previous financial year, 1901-02, but the loss of these earnings by that year would be practically counterbalanced by its gain in the early part of the year on its receipt of earnings of 1900-01 not collected till 1901-02.

65. The disallowance of £1 5s. stands on a different footing. The amount is supposed to have been really chargeable to the Chief Inspector of Public Works, and to have been charged in error to Vote 27 B. for 1901-02, of the Colonial Secretary. The amount is now charged to the Chief Inspector as current Expenditure, 1902-03, and credited to the Colonial Secretary, but as his account for 1901-02 has been charged, it must necessarily obtain the credit.

66. In the case of the Treasury, there are no fewer than six Accounts, viz.: Votes Account, and five Deposit Accounts, but they present no singular feature.

67. Although "Supplementary Cash" is regarded as a Deposit Account controlled by the Controller and Auditor-General, no Account on the form C.A. 44 is required in connection with it, the Supplementary Cash Account itself affording all necessary information.

The form of the Supplementary Cash Book kept by the Civil Commissioner is sufficiently illustrated by the specimen Account which forms voucher No. 4 to Annexure XXXVIII.

68. In the case of the Postmaster-General's Department, final payments made by the Divisional Paymaster are at once charged to the proper Vote, but payment of Salaries, etc., made by Postmasters, even when paid out of advances made by the Divisional Paymaster, are simply included by the latter in the advances chargeable to the Postmaster-General's Deposit Account.

69. In the case of the Master of the Supreme Court, it is provided by Regulation 83 of Chapter VI. that the Divisional Paymaster may forward the necessary documents to the Master

Digitized by Google

at once, as soon as the transaction takes place, or forward an account on C.A. 44 at the end of the month, whichever may prove most convenient. It is assumed in the specimen accounts that the former course is followed, consequently no C.A. 44 is supposed to be rendered .

70. A similar course is followed in the case of transactions on behalf of the High Sheriff.

71. While remittances to or from other Stations are more usually Revenue remittances, many Expenditure remittances may occur under Regulations 31-47 of Chapter VIII., and at certain Stations Transkeian remittances may be received; but while one officer forwarding a remittance to another, should be careful not to confuse between Revenue and Expenditure remittances, in the case of a Civil Commissioner receiving a remittance from another Station, it is of far more consequence that he should treat it in the same way as the forwarding officer has done, than that he should treat it correctly. (*Vide* Regulation 58 of Chapter III. of the Audit Rules and Regulations.).

72. When an officer takes over the duties of Civil Commissioner, he is required to satisfy himself, as far as practicable, that all books, accounts, etc., are properly kept, the retiring officer not being relieved until he has placed his successor in a position to understand fully and perfectly the state of the office.

73. Hence the necessity for a Surcharge Ledger, for without it the Cash and other books might appear highly satisfactory, and yet the incoming Civil Commissioner might unwittingly assume the responsibility of clearing up heavy surcharges made against his predecessor.

74. A specimen is therefore given of a Surcharge Ledger at one of the two sample Stations. It is immaterial whether the Station is a Banking one or not.

75. Revenue surcharges are so few in number that a separate Ledger need not be kept in respect of them.

76. To make it quite clear what entries in the Accounts any surcharge will necessitate, it is, for example, assumed that the Divisional Paymaster is surcharged in an amount of £10, and that within the time allowed he is prepared to submit satisfactory vouchers for only £7 10s.

77. Immediately on the receipt of the intimation of the surcharge, he will debit himself in the Surcharge Ledger with £10, giving, in the proper columns, the date and source of the observation, the particulars, the date of the original error, and the amount.

78. As soon as he has prepared satisfactory vouchers for £7 10s., he will take credit for the same in his Expenditure Cash Book as chargeable to the proper Vote and Sub-Vote, and will also debit himself in that book with the amount in partial settlement of the surcharge. He will at the same time take credit for £7 10s. in his Surcharge Ledger.

79. As soon as the £2 10s. has been recovered in cash, but not in any event later than the date allowed for the recovery of the surcharge, the Divisional Paymaster will debit himself with £2 10s. in his Expenditure Book, as received on behalf of the "Accounting Officer" in question, in partial adjustment of the surcharge, and will take credit for the same amount in his Surcharge Ledger.

80. At the end of the month the Cash Book entries will figure both in his Cash Account and in his Account Current on C.A. 44 with the proper "Accounting Officer."

Cape Town, 3rd September, 1903.

IN terms of Section II, Act No. 15 of 1887, as amended by Sections IV, V and VI of Act No. 40 of 1895, it is hereby notified for general information that the following erven, situate in the Village of Tylden, Division of Queenstown, will be offered for Sale by Public Auction, in front of the Civil Commissioner's Office, at Queenstown, at 10 o'clock a.m., on Friday, 20th November, 1903, subject to the Conditions and Stipulations in the above Act, and in the General Conditions of Sale set forth, and further to such Conditions as may be declared on the day of Sale.

Each Lot will be put up at the upset price fixed, and the highest bidder who shall have offered not less than such upset price shall be declared the purchaser, and every such purchaser shall have the option of paying either the whole or a part of the purchase money on the day of sale: Provided:

(i) That if no payment be made on the day of sale one-tenth of the purchase price shall be paid at six and one-tenth at twelve months from the day of sale.

(ii) That if less than one-tenth of the purchase price be paid on the day of sale, the balance of such one-tenth shall be paid at the expiration of six months, and the remaining one-tenth at the expiration of twelve months from the day of sale.

(iii) That if the amount paid on the day of sale be one-tenth or any sum between one-tenth and one-fifth of the purchase price, the balance of one-fifth of the purchase price shall be paid at the expiration of twelve months from the day of sale.

(iv) In cases where the purchase-money is less than (£25) twenty-five pounds, the whole amount shall be paid in cash, or in equal instalments extending over a period of three years.

Interest on the instalments above-mentioned shall be paid at the rate of four per centum per annum; and the payment of the instalments, together with the interest thereon, shall be secured on the day of sale by two good and sufficient sureties to the satisfaction of the Civil Commissioner, which sureties will bind themselves in regard to such payments as sureties *in solidum* and co-principal debtors, renouncing the exceptions of excussion and division.

The expenses of Survey, etc., and of the Title Deed, shall be paid to the Civil Commissioner, or other duly authorised person in that behalf on the day of sale.

In the event of the purchase price being £25 or more, the purchaser shall be bound to pass a mortgage bond bearing interest at the rate of four per centum per annum, in favour of the Government for four-fifths of the purchase price, unless he shall have paid on the day of sale more than one-fifth thereof, in which case the amount of the bond shall be for the balance of the purchase price, the purchaser having the right to pay off the bond or any portion thereof, not being less than fifty pounds at any time.

If the purchaser be desirous of holding the balance of the purchase money on mortgage as above, he will be required to pass the Bond within thirteen (13) calendar months from the day of sale, failing which, a fine of one shilling will be imposed for every day allowed to pass beyond it, up to eighteen months from the date of sale, after which, should such failure still continue, the balance of the purchase money, with interest thereon, and the amount of the fine, if any, so imposed, shall forthwith become due and payable, and shall be recoverable in any competent Court of Law, without further notice, and if not paid within one month after the date of judgment, the sale shall become null and void, and payments already made shall be forfeited to the Government.

MISCELLANEOUS DEPARTMENTAL NOTICE.

Surveyor-General's Office,
Cape Town, 3rd November, 1903.

IN terms of Section II., Act No. 15 of 1887, as amended by Sections IV., V., and VI. of Act No. 40 of 1895, it is hereby notified for general information that the following erven, situate in the Village of Flagstaff, in Eastern Pondoland, will be offered for Sale, by Public Auction, in front of the Resident Magistrate's Office, at Flagstaff, at 10 o'clock, a.m., on Wednesday, 20th January, 1904, subject to the conditions and stipulations in the above Act, and in the General Conditions of Sale set forth, and further to such conditions as may be declared on the day of Sale.

Each Lot will be put up at the upset price fixed, and the highest bidder who shall have offered not less than such upset price shall be declared the purchaser, and every such purchaser shall have the option of paying either the whole or a part of the purchase money on the day of sale: Provided:

(i) That if no payment be made on the day of sale, one tenth of the purchase price shall be paid at six and one-tenth at twelve months from the day of sale.

(ii) That if less than one-tenth of the purchase price be paid on the day of sale, the balance of such one-tenth shall be paid at the expiration of six months, and the remaining one-tenth at the expiration of twelve months from the day of sale.

(iii) That if the amount paid on the day of sale be one-tenth or any sum between one-tenth and one-fifth of the purchase price, the balance of one-fifth of the purchase price shall be paid at the expiration of twelve months from the day of sale.

(iv) In cases where the purchase money is less than twenty-five pounds, the whole amount shall be paid in cash, or in equal instalments extending over a period of three years.

Interest on the instalments above mentioned shall be paid at the rate of four per centum per annum; and the payment of the instalments, together with the interest thereon, shall be secured on the day of sale by two good and sufficient sureties to the satisfaction of the Resident Magistrate, which sureties will bind themselves in regard to such payment as sureties *in solidum* and co-principal debtors, renouncing the exceptions of excussion and division.

If the purchaser or his sureties fail, or are unable to make the necessary payments of purchase money as above within the stipulated time, it shall be competent for the Government to cancel the sale, and all payments already made in respect of such sale shall be forfeited to the Government.

The expenses of Survey, viz., £2 0s. 6d., on each Lot, and of the Title Deed, viz., 12s. 3d., shall be paid to the Resident Magistrate or other duly authorised person in that behalf, on the day of sale.

In the event of the purchase price being £25 or more, the purchaser shall be bound to pass a mortgage bond, bearing interest at the rate of four per centum per annum, in favour of the Government for four-fifth of the purchase price, unless he shall have paid on the day of sale more than one-fifth thereof, in which case the amount of the bond shall be for the balance of the purchase price, the purchaser having the right to pay off the bond or any portion thereof, not being less than fifty pounds at any time.

If the purchaser be desirous of holding the balance of the purchase money on mortgage as above, he will be required to pass the bond within thirteen (13) calendar months from the day of sale, failing which, a fine of one shilling will be imposed for every day allowed to pass beyond it, up to eighteen months from the date of sale, after which, should such failure still continue, the balance of the purchase money, with interest thereon, and the amount of the fine, if any, so imposed, shall forthwith become due and payable, and shall be recoverable in any competent court of law without further notice, and if not paid within one month after the date of judgment, the sale shall become null and void, and payments already made in respect thereof shall be forfeited to the Government.

The General Plan and Conditions of Sale may be seen at the Surveyor-General's Office, Cape Town, and at the Office of the Resident Magistrate at Flagstaff.

In the Court of the Eastern Districts of the Cape of Good Hope.

EDWARD VII., by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, King, Defender of the Faith.

To the Sheriff of the Colony of the Cape of Good Hope or his lawful Deputy.

GREETING!

WHEREAS, upon the Petition of GUSTAV HERMAN RUBINSTEIN and WILLIAM ALEXANDER MCCALLUM, trading at East London under the style or firm of RUBINSTEIN AND COMPANY (hereinafter styled the Plaintiff), it appears to us that AUGUST ELTZER, of Queenstown (hereinafter styled the Defendant), is truly and justly indebted unto and on behalf of the Plaintiffs in the sum of £56 12s. 1d. for goods supplied.

And whereas it further appears to us that the Defendant did clandestinely leave his dwelling-house for the Transvaal during the month of September, 1903; that Defendant has made no provision for the payment of Plaintiffs' claim or any part thereof, nor has he authorised any person to do so; also, that the Defendant has left his dwelling-house and departed from this Colony with intent to defeat or delay Plaintiffs and his other Creditors in obtaining payment of their Claims; and that, in consequence thereof, the Defendant has committed an act of Insolvency; upon which the Plaintiffs prayed that the Estate of Defendant might be sequestrated for the benefit of the Creditors thereof.

And whereas it further appears to us of record that the Honourable the Judge President of the Court of the Eastern Districts of the Cape of Good Hope, did, on the 30th October, 1903, order that the Estate of the Defendant be sequestrated provisionally, and that the Defendant do shew cause on the 16th November, 1903, why his Estate should not, by sentence of this Honourable Court, be adjudged to be sequestrated for the benefit of his Creditors.

Now, therefore, we command you that you summon the Defendant that he appear before our Justices of the Court of the Eastern Districts, at Grahamstown, on Monday, the 16th day of November, 1903, at ten o'clock in the Forenoon, to shew cause, if he have any, why his Estate should not by sentence of this Honourable Court be adjudged to be sequestrated for the benefit of his Creditors.

And serve on Defendant a copy of this Summons, and return you then there this Summons with whatsoever you have done thereupon.

WITNESS:—The Honourable SYDNEY TWENTYMAN JONES, LL.D., Judge President of our Eastern Districts Court at Grahamstown, this 31st day of October, 1903.

OVEREENKOMSTIG artikel II., Wet No. 15 van 1887, als gemeendeerd door artikel IV., V., en van Wet No. 40 van 1895, wordt hiermede ter algemeene informatie bekend gemaakt dat de volgende Erven, gelegen in het Dorp Tylden, Afdeeling Queenstown, bij publieke veiling te koop aangeboden zullen worden voor het kantoor van den Civielen Commissaris, te Queenstown, om 10 uur v.m., op Vrijdag, den 20sten November, 1903, onderhevig aan de voorwaarden en bepalingen in bovengemelde wet en in de algemeene koopcondities uiteengezet, en verder aan zulke voorwaarden als op den verkoopdag mogen genoemd worden.

Ieder Lot zal te koop geboden worden tegen den vastgezetten inzetprijs, en de hoogste bieder, die niet minder dan dien inzetprijs zal geboden hebben, zal de kooper verklaard worden, en alle zoodanige kooper zal de keus hebben of het geheel of een deel van de koopsom op den koopdag te betalen: Met dien verstande:

(i) Dat, als geene betaling geschiedt op den koopdag een-tiende van den koopprijs betaald worden zal op zes maanden en een-tiende op twaalf maanden, gerekend van den verkoopdag.

(ii) Dat, als minder dan een-tiende van den koopsom op den koopdag betaald wordt, het overige van zulk een-tiende betaald worden zal na verloop van zes maanden, en het andere een-tiende na verloop van twaalf maanden, gerekend van den verkoopdag.

(iii) Dat, als het bedrag betaald op den verkoopdag het een-tiende zijn zal of eenige som tusschen een-tiende en een-vijfde deel van de koopsom, het overige van een-vijfde van de koopsom betaald worden zal na verloop van twaalf maanden, gerekend van den koopdag.

(iv) In geval de koopsom minder dan vijf-en-twintig ponden zal zijn, zal het geheele bedrag kontant of in gelijke deelen betaald worden over een tijd van drie jaren.

Interest op de bovengenoemde sommen zal betaald worden gerekend tegen vier per cent. per jaar; en de betaling der paaimenten, met de interest daarop, zal op den koopdag door twee naar het ordeel van den Civielen Commissaris goede, voldoende borgen verzekerd worden, welke borgen in betrekking tot die betaling zich als borgen *in solidum* en mede principale schuldenaars verbinden, afstand doende van de excepties van execussie en divisie.

Als de kooper of diens borgen feilen, of niet in staat zijn de noodige betalingen van de koopsom als bovengenoemd binnen de gestelden tijd te doen, zal de Regeering het recht hebben den koop nietig te verklaren, en alle betalingen reeds gedaan ten opzichte van dien koop, zullen aan de Regeering vervallen.

De uitgaven van opmeting op elk deel van den Grondbrief zullen aan den Civielen Commissaris, of andere te dien opzichte wettelijk geauthoriseerden persoon, op den koopdag betaald worden.

Ingeval de koopprijs £25 of meer is, zal de kooper verplicht zijn een verband te passeeren, gevende interest tegen vier per cent per jaar, ten gunste van het Government voor vier-vijfde van den koopsom, tenzij hij op den koopdag meer dan een-vijfde daarvan betaald hebben zal, in welk geval het bedrag van het verband voor de balans van den koopsom zijn zal, hebbende de kooper het recht het verband of eenig deel daarvan, zijnde niet minder dan vijftig ponden in eens, af te betalen.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld: dan zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van de datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geener waarde worden, en reeds gedane betalingen zullen aan de Regeering vervallen.

MEMORANDUM BY THE GENERAL SUPERINTENDENT OF CANCER RESEARCH.

MEMORANDUM.

(1.) Attention is specially directed to the necessity for seeking whatever evidence there may be of the occurence or non-occurrence of benign and malignant new growths among natives, both of the class which seeks admission to hospital and the class which does not do so. Observation should be directed to the aged, but also to others.

(2.) The conditions most likely to be evident are those occurring on the external surface, and more accessible parts of the body. *e.g.*, skin, lips, tongue, floor of mouth, vulva, penis, mamma. Similar conditions occurring in the more inaccessible organs, uterus, alimentary canal, etc., are less likely to be easily detected.

(3.) In the absence of any manifest evidence of the occurrence of such growths, it is essential to seek for the existence of fanatical or other grounds causing the natives to observe secrecy in regard to such conditions, and to endeavour to thoroughly probe the matter.

(4.) In all cases of death in hospital, and outside wherever possible, it is essential that a post-mortem examination be made and recorded in every case. It may be that only in this way will evidence of the occurrence of malignant new growth be brought to light, for such conditions may exist without causing symptoms attracting the attention either of the medical man or the patient.

(5.) In performing a post-mortem a diligent search is to be made for secondary growths, and the sites of these carefully noted.

(6.) Should malignant new growths be detected, notes of the case are to be made in the form given below.**

(7.) These notes are to be filed in duplicate, one for preservation on the spot, one to be forwarded to the Colonial Office.

In view of the difficulty of carrying out proper microscopical examinations it is further directed:

(8.) In all cases of operation at which any suspicion of the presence of benign or malignant new growth is present, small portions of the suspected tissue are to be *at once* placed in 2% formalin* securely packed in a tin, and addressed to the Superintendent of Cancer Research, Victoria Embankment, London. All such specimens should be accompanied by a letter briefly stating suspected nature of specimen and other possible notes, and in no case must the reference to the filed notes be omitted. By small portions it is meant that the pieces of tissue ought not to be more than ⅛ of an inch thick and ½ an inch square. If the suspected growth present different features in different parts, a specimen of each characteristic portion should be sent.

(9.) In all cases of post-mortem examination anything indicative of benign or malignant new growth is to be forwarded according to the instructions given for material from operations.

(10.) It may be possible to obtain a small portion of a growth from a patient refusing operation.

(11.) Notes of cases of benign and malignant new growth occurring in Europeans are directed to be made in exactly the same way.

*If formalin be not obtainable, absolute alcohol may be used.

GOVERNMENT NOTICE.

[1016.] [1903.]

Treasury, Cape Town,
Cape of Good Hope,
6th November, 1903.

THE subjoined Government Notice No. 134 of the 9th February, 1903, relative to the Plan of Account Books and Accounts, is hereby published for general information. Government Notice No. 997 of the 5th November, 1903, is hereby cancelled.

WM. A COLLARD,
Assistant Treasurer.

GOVERNMENT NOTICE.

[134.] [1903.]

Treasury, Cape Town,
9th February, 1903.

HIS Excellency the Governor, with the advice of the Executive Council, has been pleased to approve of the following Plan of Account Books and Accounts, designed for the use of Civil Commissioners, and such Magistrates and Assistant Magistrates as may be specially authorised by the Treasury to discharge similar duties in regard to Revenue or Expenditure, with accompanying explanations framed by the Controller and Auditor-General, and to direct that the receipts and payments of such officers shall be recorded and accounted for in accordance with such plan.

HENRY DE SMIDT,
Assistant Treasurer.

Office of the Controller and Auditor-General,
Cape Town, 30th December, 1902.

PART I. of a Plan of Account Books and Accounts designed for the use of Civil Commissioners, and such Magistrates and Assistant Magistrates as may be specially authorised by the Treasury to discharge similar duties in regard to Revenue or Expenditure, with Specimen Entries and Explanations, to illustrate the method of recording and accounting for their Receipts and Payments.

Since the issue of Part I. of a Plan of Account Books and Accounts for the guidance of Civil Commissioners in 1882, under Government Notice No. 679 of 1882, which, together with Government Notice No. 1,259 of 1883 is hereby cancelled, such considerable changes have from time to time been made in the Books kept and Accounts rendered by these officers, as to necessitate the issue of an amended Edition.

Some of these changes are simplifications warranted by the greatly increased familiarity of public Accountants with the principles and practice of the Scheme of the Public Accounts of the Colony, others, such as those connected with Postal Receipts, Stamps, etc., are due to administrative changes, others are due to the comparatively recent appropriation by law of certain heads of Revenue (such as the proceeds of Land Sales, etc.), to the reduction of the Public Debt, while some have been introduced to meet the wishes of Accounting Officers, or of the Treasury.

1. Civil Commissioners are public Accountants in two capacities:—

Firstly:—As Divisional Receivers of Revenue, they are the deputies of the Assistant Treasurer, who, as the Receiver-General of Revenue, is responsible for the due collection and safe custody of the entire Colonial Revenue, and in this capacity they are directly accountable to that officer, to the Accounting Officers of departmentally-audited Revenue, and to the Controller and Auditor-General.

Secondly:—As Divisional Paymasters, they are the deputies of the Paymaster-General of the Colony, and the agents of all "Accounting Officers." for expenditure who may find it convenient or may be required to avail themselves of their services, and in this capacity they are responsible to the Paymaster-General for their operations on his account, to those "Accounting Officers" who actually employ them, and to the Controller and Auditor-General.

2. Such Magistrates and Assistant Magistrates as may be specially authorised by the Treasury to discharge similar duties in regard to Revenue or Expenditure are also Divisional Receivers of Revenue or Divisional Paymasters as the case may be.

I.—REVENUE.

3. Every Receiver of Revenue shall keep a Revenue Cash Book, making entries therein as illustrated in the annexed specimen book, showing on the Dr. side all items of Revenue received day by day, remittances from other Receivers of Revenue, etc., and on the Cr. side, how the money thus received has been disposed of.

4. Great care must be exercised in distinguishing between receipts treated as Revenue, and those which, under present arrangements, are lodged to the credit of a Vote, or to that of a Deposit Account.

5. Thus in the case of Reimbursements, and Miscellaneous and Special Receipts, it is in many cases quite impossible to draw any logical distinction between those which are treated as Revenue, and those which are treated as Receipts to the credit of a Vote, and in practice Receivers of Revenue must be guided by Regulation 162 of Chapter III. of the Audit Regulations, and may be assisted in cases of doubt by the classification in Chapters XVII. and XIX. of Sources of Revenue.

6. Then, while the proceeds of the sale of Revenue and Postage Stamps, Premiums on Money Orders, etc., are undoubtedly Revenue, and are ultimately accounted for as such, they are, under present arrangments, lodged in the first instance to the credit of the Postmaster-General's Deposit Account, and are not treated by Civil Commissioners as Revenue.

7. Further, by Act 11 of 1897, all moneys received after the 1st of July, 1896, as proceeds of the sale of Crown Lands, are not treated as ordinary Revenue, but are at once lodged to the credit of the Sinking Fund Deposit Account, administered by the Accounting Officer of the Treasury. The sub-heads of this class of Receipts will be found in Chapter IV of Sources of Revenue.

8. Again, by Act 12 of 1900, all surplus interest and lapsed funds previously paid into Revenue by the Master of the Supreme Court;

Unclaimed Interest on Public Debt;
Unclaimed, drawn, or expired Debenture Bonds, or other Government Stock;
Proceeds of Unclaimed Property and Stock;
Unclaimed Deposits in the Post Office Savings Bank;
Long outstanding Treasury Drafts;
Surplus Interest on the administration of funds belonging to the Post Office Savings Bank; and
Proceeds of Customs Rummage Sales;

are similarly lodged to the credit of the Sinking Fund Deposit Account.

9. In illustrating the transactions of Divisional Receivers of Revenue and Divisional Paymasters, it is very necessary to distinguish between stations where there is a branch or agency of the Standard Bank, and where no such branch or agency exists, but it is not deemed necessary to construct specimen Cash Books for both classes of stations, as the distinction between them is fully explained, and is sufficiently illustrated by the two specimen Cash Accounts.

10. In order to illustrate every usual contingency, it has been assumed that one of the divisions (called Montrose) includes:—

(*a*) The station of a Resident Magistrate in whose district (called Arbroath) there is a Native Location, and who renders Accounts governed by Chapter V of the Audit Regulations;
(*b*) That of a Special Magistrate of a Native Location (called Toleni), who, financially, is merely a Sub-Collector of Revenue;
(*c*) Officers of the Forest Department;
(*d*) A Commissioner of Police, etc.;

and for the purpose of illustration, the month of July, 1902, has been chosen, but to show the connection between the Accounts of a Civil Commissioner and those of such a Resident Magistrate as that referred to, the Accounts of the latter for the previous month (June) are illustrated.

A.—*Cash Book at a Banking Station* (*Montrose*).

11. It will be observed that the receipts are all numbered. For several kinds of revenue Divisional Receivers of Revenue are supplied with special books, in which the folios are consecutively numbered. Receipts for kinds of revenue for which no special book exists are given from the miscellaneous receipt book, with which they are also supplied. Specimens of each of these existing books are annexed.

12. As a rule these do not require comment, but the requirements of the Audit Regulations 23-27 of Chapter II. should be carefully attended to.

13. The Cr. side illustrates the rule of daily payments of collections into a branch or agency of the Standard Bank to the credit of the Exchequer account by deposit receipts marked "Receiver-General," and the exceptions when, as on the 3rd, 12th, etc., of July, the amounts are so trifling—£3 17s., £4 16s. 2d., etc.—that the Civil Commissioner has not deemed it necessary to deposit them. To enable him to make such deposits, he is furnished with a Receiver-General's deposit-receipt book in which the folios are consecutively numbered.

B.—*Cash Book at a Non-Banking Station (Amalinda).*

14. The difference between the entries at a non-banking and those at a banking station depends chiefly on the disposal of collections. In order to illustrate every ordinary contingency, it is assumed that the collections are largely in excess of local payments. It is the duty of Civil Commissioners at such stations to keep a cash balance not larger than is sufficient to enable them to make their payments as Divisional Paymasters.

15. It is thus supposed that on the 8th the Civil Commissioner receives over £2,000 in gold, notes, and bank drafts; of this he remits the same day to the Civil Commissioner of Montrose £1,000 in notes or in drafts on a Montrose bank or in gold. It is further supposed that he also has £1,350 in notes, or in drafts on Cape Town banks, or on the Treasury, which he remits by first post to the same Civil Commissioner unless otherwise directed by the Treasury. The chief peculiarity at such a station appears at the end of the month.

16. At a banking station a Divisional Receiver of Revenue deposits his collections to the credit of the Exchequer account by deposit receipts marked "Receiver-General," and his collections as Divisional-Paymaster to the account of the Paymaster-General by deposit receipts marked "Paymaster-General," he thus, as a rule, has no cash balances at the close of the day. At a non-banking station it is not expedient that he should have two chests; it is therefore ordinarily supposed that all collections are lodged in the Exchequer chest, and that all payments are made therefrom. If then a balance were struck on his two cash books, on any day, the probabilities are that the revenue balance would exceed the cash actually on hand, while the expenditure book would show an excess of payments over receipts, the deficiency on the one account exactly equalling the surplus on the other.

17. At the end of the month this must be adjusted. In the ordinary case, that in which the expenditure of the Divisional Paymaster exceeds the receipts (including drafts drawn), the expenditure cash book must be closed in accordance with Regulation 118 of Chapter III. of the Audit Regulations.

18. If however it is the case in any Division, that the receipts of the Divisional Paymaster on behalf of Deposit Accounts, etc., habitually exceed his payments, the Treasury may direct that the revenue cash book shall be closed in a similar manner (*vide* Regulation 119 of Chapter III. of the Audit Regulations). This contingency is rare and is not illustrated.

19. At the close of each month every Divisional Receiver of Revenue should, after closing and balancing his revenue cash book, abstract his transactions during the month, and prepare a cash account, in duplicate, on the form C.A. 14, and should also prepare supporting vouchers as illustrated in the annexed specimens. It will be observed that the form is adapted for the use of all stations, but there should be no balance at a banking station except in the rare event of revenue being received on the last working day of the month, after the exceptionally late hour, up to which on such days the Standard Bank agrees to receive public money.

20. The item "Revenue" in the cash account on the form C.A. 14 must be supported by a detailed abstract, also in duplicate, on the form C.A. 20, showing the total amounts collected under each head of revenue. It is not deemed necessary to illustrate the form C.A. 20 at Amalinda, but an illustration of the form without vouchers is given at Arbroath, to show incidentally that Hut Tax may be finally accounted for at such a station (*vide* paragraph 33 hereof).

21. The heads of Revenue are divided into two great classes, according as Departmental audit does not or does exist, and while it might have been arranged that the vouchers of such revenue as is departmentally audited by any Accounting Officer should be sent direct to such officer, it has been deemed preferable that all vouchers of departmentally audited revenue should in the first instance be sent direct to the Treasury, for distribution to the several Accounting Officers concerned.

22. Great care having been taken to provide separate printed headings for every description of revenue collected by Divisional Receivers of Revenue excepting only the most unusual ones, the preparation of this abstract requires no detailed explanation, save that when any very unusual item, for which no heading exists, presents itself, it must be entered, in writing, in that one of the reserved blank spaces which follows next after the most closely allied description of revenue.

23. It is not necessary to illustrate all the sub-vouchers in support of the items in the Revenue abstract on C.A. 20, care however has been taken to illustrate all cases in which any difficulty is likely to arise.

24. As a rule these sub-vouchers need no explanation, but to this rule those for land revenue form a notable exception.

25. Unfortunately in the case of Land Revenue falling due on the 1st of January in each year, while the amounts accruing under certain sub-heads marked (*a*), (*b*), and (*c*) in Regulation 41 of Chapter II. of the Audit Rules and Regulations are payable in arrear in respect of the year then expired, those accruing under other sub-heads marked (*h*), (*i*), (*j*), and (*k*) are payable

Digitized by Google

in advance in respect of the year then commencing, and of those accruing under the sub-heads marked (*d*), (*e*), (*f*), and (*g*), many are payable in arrear, and many are payable in advance.

26. To prevent as far as possible this anomaly being a source of error and confusion, it has been deemed advisable to arrange that Land Revenue should be carried to separate folios in the Land Revenue Ledgers according as it is payable in arrear or in advance.

27. It will be observed that items falling due on the 1st of January, 1902, and received in July, 1902, are styled "Current for 1901" when payable in arrear, and "Current for 1902" when payable in advance, and it might fairly be held that as the amounts do not fall due until the 1st of January, 1902, the former should, like the latter, be styled "Current for 1902."

28. This point has been carefully considered, and it has been decided that it is on the whole better to adhere to the hitherto existing practice.

29. It will also be observed that the native quitrents collected by the Special Magistrate of Toleni are accounted for by the Civil Commissioner in the month in which they were actually collected, but that under the arrangements provided for in Chapter V. of the Audit Regulations, the quitrents collected by the Resident Magistrate of Arbroath in June do not appear in the accounts of the Civil Commissioner till July, seeing that by Regulation 2 of that Chapter, the Resident Magistrate is not required to forward vouchers to the Civil Commissioner until the end of the month. If however the receipt of quitrent by such a Magistrate were very rare, he might advise his occasional collections at any time, and in that case they would probably appear in the accounts of the Civil Commissioner for the same month.

30. As regards Forest Revenue it is assumed that the Foresters at the close of each month render a monthly account of their transactions to the District Forest Officer, and that the latter renders an account as soon as possible after the close of the month to the Civil Commissioner.

31. While it is desirable that the Foresters should pay in their collections to the District Forest Officer as frequently as is practicable, and that the latter should in like manner remit to the Civil Commissioner, whenever opportunity offers, any surplus cash he may have on hand, it is assumed for the sake of simplicity, that no payments on account have been made, but that the revenues collected by the Foresters during June are collected by the District Forest Officer early in July, and paid in to the Civil Commissioner in that month.

32. As the collections are temporarily used to cover salaries, wages, and other payments, the amount of cash actually paid in may be very small.

33. It is assumed that the Hut Tax Register for the District of Arbroath is kept only by the Resident Magistrate, and not also by the Civil Commissioner; it follows that, unlike quitrent, the Hut Tax collected by that Resident Magistrate does not appear in the accounts of the Civil Commissioner.

34. The remaining items (if any) on the Dr. side of the revenue cash account require no vouchers, remittances from other stations being checked by the corresponding Cr. remittances in the accounts of these stations, and any entry in that account at a non-banking station due to the closing of the expenditure cash account described as "Loan from Paymaster - General," being checked by the corresponding entry in the latter account.

35. The entries on the Cr. side are sufficiently illustrated by specimen vouchers:—

(*a*) Of a Receiver-General's deposit receipt at a banking station;

(*b*) Of a receipt of a Civil Commissioner at a banking station for a remittance from a non-banking station

Remittances to the Receiver-General are under present arrangements so rare that no illustration is necessary, and the frequent entry at a non-banking station described as "Loan to Paymaster-General" is checked by the corresponding entry required to close the Expenditure cash account.

36. Although duplicate revenue vouchers have been dispensed with, the records of the Civil Commissioner should not merely contain the materials from which the vouchers are framed, but the vouchers should be virtually transcripts of books kept in his office.

37. Land Revenue Books.

A. *Quitrent Register.*—By means of this book the audit office folio, the quitrent, the date of the last payment of quitrent, and all necessary particulars respecting any grant may be ascertained at any moment. It is desirable that as far as practicable grants should be grouped according to the date when the quitrent falls due, and according as it is payable in advance or in arrear. In larger divisions more than one such book may be required, but in most divisions one book may suffice, different portions being set aside for each description of land revenue, following as closely as possible the classification given in the Audit Regulations 41 to 42 of Chapter II.

B. *Lease-rent Received.*—The same form of ruling will suit lease rents whether of farms or trading stations, etc.

C. *Land Revenue Ledgers.*—Although specimens of Subsidiary Land Revenue Ledgers on form C.A. 122, of Land Revenue Ledgers on form C.A. 121, and of an extract from the Ledger Folios on form C.A. 123 are given in Annexures A, B, C, D, E, and F to Chapter II. of the Audit Rules and Regulations, additional specimens are given in Annexures XXV., XXVI., and XXVII. hereof.

38. Hut-Tax.

A. *Register.*—This should possess a vertical column for each calendar year, in which the dates of payment of the tax for such year should be recorded, so that it may be seen at a glance whether or not each person liable to the tax has duly paid the same for any year, and if so, when.

B. *Ledger.*—At the commencement of each year, the collector of hut-tax should debit himself with the whole amount leviable for the year, according to the register. This original debit should be corrected from time to time by the addition of any amounts leviable in respect of huts newly erected or which had been accidentally omitted, and by the deduction of any amounts not leviable in consequence of the destruction or removal of huts included in the register. He should on the other hand take credit in such ledger for the gross amounts collected during each month, and for any amounts leviable which the collector may have been authorised by Government to write off as irrecoverable. The specimen ledger annexed on the form C.A. 28, enables these operations to be exhibited in a convenient form, and by means of the balance column shows the balances at the end of each month, without interfering with the ordinary entries. The monthly voucher rendered on the form C.A. 37, or form C.A. 37 A, will thus show certain figures all found in the ledger. Each year should have assigned to it a separate double folio in which transactions in respect of the duty leviable in that year are continued until the folio is finally closed by the disappearance of the balance.

39. Transfer Duty Received.—It will be observed that the ruling of this book substantially agrees with that of the form of voucher.

40. Stamps and Licences.—In view of the instructions in Regulations 39-52 of Chapter IX. of the Audit Rules and Regulations, and of the very full instructions issued by the Treasury on the subject, no detailed explanations are necessary.

II.—Expenditure.

41. Every Divisional Paymaster shall keep an Expenditure Cash Book, making entries therein as illustrated in the specimen book for Montrose, July, 1902, showing on the debit side:

(*a*) Receipts on behalf of Accounting Officers, including advances repaid (whether in cash or by vouchers), disallowances recovered, and miscellaneous receipts to the credit of any Vote or Act account, taking care, more particularly in the early part of each financial year, to distinguish as far as possible between receipts to the credit of current and arrear Vote accounts. It is obvious that if an advance or overpayment is made out of the amounts voted for any year, the advance repaid or overpayment recovered must ordinarily, and until the account of the year is finally closed, be carried to the credit of the account of that year, but it is ordinarily arranged as regards Miscellaneous receipts to the credit of a Vote, that they shall be carried to the credit of the year which is current at the date of receipt;

(*b*) Receipts on behalf of Deposit Accounts;

(*c*) Drafts drawn, which are styled Remittances from the Paymaster-General;

(*d*) Remittances from other Divisional Paymasters (which in the case of Expenditure accounts occur at few stations);

(*e*) Remittances from Sub-accountants (if any);

(*f*) Any loan from the Exchequer required at a non-banking station to close the account at the end of the month;

(*g*) And any entries necessary for the correction of errors.

42. The expenditure cash book should shew on the credit side:—

(*a*) Deposits (at banking stations) to the credit of the Paymaster-General;

(*b*) Issues for expenditure (whether final payments or advances) and vouchers brought up in settlement of advances or disallowances chargeable to Accounting Officers for Votes or Acts Accounts;

(*c*) Cheques on Public Account cashed;

(*d*) Payments chargeable to Deposit Accounts;

(*e*) Remittances to other Civil Commissioners (which however in the case of Expenditure accounts occur at few stations);

(*f*) Remittances (if any) to Sub-accountants;

(*g*) Any loan to the Exchequer at a non-banking station required to close the account, in the case (which though unusual, sometimes occurs) in which the receipts on the Dr. side of the account exceed the payments under the heads (*a*)—(*f*);

(*h*) and any entries necessary for the correction of errors.

43. The expenditure cash book at a non-banking station differs from that at a banking station in the very small number of drafts on the Paymaster-General drawn at the former, and it is only at such stations that loans to or from the Exchequer can exist.

44. Class (*c*) in paragraph 42 hereof is not really a distinct class. If the cheques are drawn on the Divisional Paymaster they come under Classes (*b*) or (*d*), and are included in the payments on behalf of Accounting Officers or Deposit Accounts, while if they are drawn on another officer, but are cashed under Regulation 38 of chapter VIII., they come under Class (*e*)—Remittances.

45. It will be found that seven, and only seven, different mistakes can well be made by a Divisional Paymaster in making payments by draft. Other errors are indeed possible, but they will either infallibly be detected by the Divisional Paymaster when abstracting his transactions for the month, or must be merely a combination of two or more of the above seven errors. These seven errors are marked (*a*) (*b*) (*c*) (*d*) (*e*) (*f*) and (*g*), and their nature is explained in a memorandum annexed to the specimen expenditure cash book.

46. The expenditure cash book illustrates the rule by which, in order to avoid the unnecessary multiplication of Treasury drafts, officers of the establishment of the Civil Commissioner, may with his sanction make small payments out of their revenue collections, holding the vouchers as cash until the next settlement with the Civil Commissioner.

47. It will be seen that on settling with the Receiver of Revenue, the Civil Commissioner's clerk first receives a Treasury draft on the Paymaster-General to cover a number of small vouchers, and is thus put in a position to account for his collections in cash (*vide* Draft No. 96 for £4 17s. 6d., included in deposit of £98 4s. 2d. to credit of Receiver General, and Draft No. 100 for £1 11s. 0d., included in Deposit of £12 4s. 2d.)

48. Every payment at a banking station need not be covered by Treasury draft, and a deposit need not be made, except on the last day of the month, so long as the sum held in hand be less than £5. In those cases in which the items on both sides are not identical the correctness of the entries may be checked, when deemed desirable, by totalling all receipts and payments up to date, as shown in the specimen book.

49. An instance is given in the Expenditure cash book in which it is supposed that, upon the 21st July an amount of £18 4s. 6d. is received, out of which payments of £6 6s., 4s. 6d., £4 8s., £1 7s. 6d., and £2 7s. 6d. are, on that day, made in cash, leaving £3 11s. in hand; on the 23rd an amount of £25 is received and £1 1s. is paid in cash, the balance of £27 10s. being deposited at the close of the day—the use of Treasury drafts for these small payments being thus avoided. A further illustration will be found on the 25th and 28th July.

50. The steps necessary to close the expenditure cash book at non-banking stations at the end of each month are already indicated. Save in those very exceptional cases, in which, owing to the habitual excess of receipts over payments in the Expenditure cash account, the Treasury deems it expedient that the Revenue account should be closed at the end of the month, rather than the Expenditure account, that account should be closed by an entry on the Dr. or Cr. side, just sufficient to close it, described as a loan to or from the Exchequer as the case may be, and an equal entry should appear on the opposite side of the Revenue account.

51. The Divisional Paymaster will also prepare, on the form C.A. 44, an abstract of his transactions on behalf of each "Accounting Officer" for whom he has made payments, embodying in one form all transactions on his behalf, whether they concern Vote or Act accounts or Deposit ccounts.

52. It will be observed that such abstracts (whether at banking or non-banking stations) make no reference whatever to drafts drawn, on the ground that the mode in which the necessary funds are provided (viz.: by drawing drafts) is a purely financial arrangement of the Treasury, which in no way concerns an "Accounting Officer."

53. Space is provided on the form C.A. 44, as illustrated in the annexed specimens, for full particulars of all receipts on behalf of "Accounting Officers," and for an Abstract of Expenditure such as that hitherto recorded on the form C.A. 4.

54. As the "Accounting Officer" must retain a record of all the information given on the form C.A. 44, it is further necessary for the Divisional Paymaster to prepare on the form C.A. 4, an abstract of expenditure on behalf of each "Accounting Officer" (being an exact copy of the similar abstract on the third page of the form C.A. 44), to cover the vouchers when ultimately transmitted by the "Accounting Officer" to the Controller and Auditor-General.

55. Although it is no longer deemed necessary to illustrate more than the accounts of one month, the transactions included in the accounts of Accounting Officers are now of so varied a character, and the supporting vouchers differ so materially, that some explanation seems necessary.

56. But before considering details a general remark may be made. It is observed that a tendency exists in some Accounting Departments to increase the work of Divisional Paymasters by requiring them to render to an Accounting Department more than one Account on the form C.A. 44 in respect of any one month.

57. Now previous to the 28th December, 1898, it was specially set forth by direction of the Government (*vide* Regulation 24 of Chapter VI. of the Regulations under Government Notice No. 1,192 of 1892) that it was deemed necessary for the efficient discharge of the duties of the Treasury that the Pension Fund transactions of Civil Commissioners should be rendered on a

Digitized by Google

separate C.A. 44, but this special requirement having been withdrawn, the present Regulations (*vide* Regulation 26 of Chapter VI. of the Audit Regulations under Government Notice No. 1,103 of 1898) clearly prescribe, that only one account on the form C.A. 44 shall be sent to the Treasury by any Divisional Paymaster in respect of any one month, and obviously the same rule must apply to all departments.

58. It is therefore irregular for any Accounting Department to ask for more than one account on the form C.A. 44 from any Divisional Paymaster for any one month, and irregular for a Divisional Paymaster to render more than one such account to any one department.

59. The account on the form C.A. 44 therefore rendered by any Divisional Paymaster (say) to the Prime Minister's Department, should not only cover transactions in connection with Votes 1 and 5-11 in the Estimates of 1902-03, but also all transactions connected with the Colonial Native Labour Agency Deposit Account.

60. And here two general warnings may be given. In the first place care must be taken not to bring up as Miscellaneous receipts to the credit of a Vote, items which might be treated as Revenue, unless it clearly appears from the Estimates for the year that it was contemplated that items of that character would be thus available. (*Vide* Regulation 162 of Chapter III. of the Audit Rules and Regulations.)

61. In the next place care must be taken to decide whether certain receipts should be brought up to the credit of a vote, or to the credit of a Deposit Account. Thus in the case of Native Labour, any "Contributions from De Beers Consolidated Mines, and others," and "Remittance Fees" received by any Divisional Paymaster, must be brought up by him to the credit of the proper Vote, while, should any deposits from Natives for the purpose of remittance be received by a Divisional Paymaster, or should any over-payment from the Deposit Account be recovered by him, they must be credited to the Deposit Account.

62. As deposits for the purpose of remittance were ordinarily received in Johannesburg, any receipt by a Divisional Paymaster to the credit of the Deposit Account would naturally be very rare, so that no special illustration is necessary.

63. The account on the form C.A. 44 rendered to the Accounting Department of the Colonial Secretary is supported, *inter alia*, by a return on the form G. 287, prepared by the Gaoler, shewing:—

i. The Classification of Prisoners;
ii. The rations issued daily;
iii. A return of Prisoners drawing special diet;
iv. A summary of receipts, issues, and balances of Provisions;
v. A record of the employment of Prisoners sentenced to hard labour; and
vi. A recapitulation, showing earnings, receipts, etc.

As this return is very large, and incapable of convenient condensation, and as a specimen if prepared would be of little practical guidance to Divisional Paymasters, it is not illustrated in the Annexures.

64. The two specimen receipts given in the C. A. 44 of this Department, conveniently illustrate the remark made in Section 41 respecting financial years. For although the receipts for Prison Labour in July represent earnings in the previous financial year, 1901-02, it is far more convenient to treat them as "Current," 1902-03. The amount was indeed earned in the previous financial year, 1901-02, but the loss of these earnings by that year would be practically counterbalanced by its gain in the early part of the year on its receipt of earnings of 1900-01 not collected till 1901-02.

65. The disallowance of £1 5s. stands on a different footing. The amount is supposed to have been really chargeable to the Chief Inspector of Public Works, and to have been charged in error to Vote 27 B. for 1901-02, of the Colonial Secretary. The amount is now charged to the Chief Inspector as current Expenditure, 1902-03, and credited to the Colonial Secretary, but as his account for 1901-02 has been charged, it must necessarily obtain the credit.

66. In the case of the Treasury, there are no fewer than six Accounts, viz.: Votes Account, and five Deposit Accounts, but they present no singular feature.

67. Although "Supplementary Cash" is regarded as a Deposit Account controlled by the Controller and Auditor-General, no Account on the form C.A. 44 is required in connection with it, the Supplementary Cash Account itself affording all necessary information.

The form of the Supplementary Cash Book kept by the Civil Commissioner is sufficiently illustrated by the specimen Account which forms voucher No. 4 to Annexure XXXVIII.

68. In the case of the Postmaster-General's Department, final payments made by the Divisional Paymaster are at once charged to the proper Vote, but payment of Salaries, etc., made by Postmasters, even when paid out of advances made by the Divisional Paymaster, are simply included by the latter in the advances chargeable to the Postmaster-General's Deposit Account.

69. In the case of the Master of the Supreme Court, it is provided by Regulation 83 of Chapter VI. that the Divisional Paymaster may forward the necessary documents to the Master

Digitized by Google

at once, as soon as the transaction takes place, or forward an account on C.A. 44 at the end of the month, whichever may prove most convenient. It is assumed in the specimen accounts that the former course is followed, consequently no C.A. 44 is supposed to be rendered .

70. A similar course is followed in the case of transactions on behalf of the High Sheriff.

71. While remittances to or from other Stations are more usually Revenue remittances, many Expenditure remittances may occur under Regulations 31-47 of Chapter VIII., and at certain Stations Transkeian remittances may be received; but while one officer forwarding a remittance to another, should be careful not to confuse between Revenue and Expenditure remittances, in the case of a Civil Commissioner receiving a remittance from another Station, it is of far more consequence that he should treat it in the same way as the forwarding officer has done, than that he should treat it correctly. (*Vide* Regulation 58 of Chapter III. of the Audit Rules and Regulations.).

72. When an officer takes over the duties of Civil Commissioner, he is required to satisfy himself, as far as practicable, that all books, accounts, etc., are properly kept, the retiring officer not being relieved until he has placed his successor in a position to understand fully and perfectly the state of the office.

73. Hence the necessity for a Surcharge Ledger, for without it the Cash and other books might appear highly satisfactory, and yet the incoming Civil Commissioner might unwittingly assume the responsibility of clearing up heavy surcharges made against his predecessor.

74. A specimen is therefore given of a Surcharge Ledger at one of the two sample Stations. It is immaterial whether the Station is a Banking one or not.

75. Revenue surcharges are so few in number that a separate Ledger need not be kept in respect of them.

76. To make it quite clear what entries in the Accounts any surcharge will necessitate, it is, for example, assumed that the Divisional Paymaster is surcharged in an amount of £10, and that within the time allowed he is prepared to submit satisfactory vouchers for only £7 10s.

77. Immediately on the receipt of the intimation of the surcharge, he will debit himself in the Surcharge Ledger with £10, giving, in the proper columns, the date and source of the observation, the particulars, the date of the original error, and the amount.

78. As soon as he has prepared satisfactory vouchers for £7 10s., he will take credit for the same in his Expenditure Cash Book as chargeable to the proper Vote and Sub-Vote, and will also debit himself in that book with the amount in partial settlement of the surcharge. He will at the same time take credit for £7 10s. in his Surcharge Ledger.

79. As soon as the £2 10s. has been recovered in cash, but not in any event later than the date allowed for the recovery of the surcharge, the Divisional Paymaster will debit himself with £2 10s. in his Expenditure Book, as received on behalf of the "Accounting Officer" in question, in partial adjustment of the surcharge, and will take credit for the same amount in his Surcharge Ledger.

80. At the end of the month the Cash Book entries will figure both in his Cash Account and in his Account Current on C.A. 44 with the proper "Accounting Officer."

(i) That if no payment be made on the day of sale one-tenth of the purchase price shall be paid at six and one-tenth at twelve months from the day of sale.

OVEREENKOMSTIG artikel II., Wet No. 15 van 1887, als geamendeerd door artikel IV., V. en van Wet No. 40 van 1859, wordt hiermede ter algemeene informatie bekend gemaakt dat de volgende Erven, gelegen in het Dorp Flagstaff, in Oost Pondoland, bij publieke veiling te koop aangeboden zullen worden voor het kantoor van den Resident Magistraat te Flagstaff, om 10 uur v.m., op Woensdag, den 20sten Januari 1904, onderhevig aan de voorwaarden en bepalingen in bovengemelde wet en in de algemeene koopcondities uiteengezet, en verder aan zulke voorwaarden als op den verkoopdag mogen genoemd worden.

Ieder Lot zal te koop geboden worden tegen den vastgezetten inzetprijs, en de hoogste bieder, die niet minder dan dien inzetprijs zal geboden hebben, zal de kooper verklaard worden, en alle zoodanige kooper zal de keus hebben of het geheel of een deel van de koopsom op den koopdag te betalen: Met dien verstande:

(i) Dat, als geene betaling geschiedt op den koopdag een-tiende van den koopprijs betaald worden zal op zes maanden en een-tiende op twaalf maanden, gerekend van den verkoopdag.

(ii) Dat, als minder dan een-tiende van den koopsom op den koopdag betaald wordt, het overige van zulk een-tiende betaald worden zal na verloop van zes maanden, en het andere een-tiende na verloop van twaalf maanden, gerekend van den verkoopdag.

(iii) Dat, als het bedrag betaald op den verkoopdag het een-tiende zijn zal of eenige som tusschen een-tiende en een-vijfde deel van de koopsom, het overige van een-vijfde van de koopsom betaald worden zal na verloop van twaalf maanden, gerekend van den koopdag.

(iv) In geval de koopsom minder dan vijf-en-twintig ponden zal zijn, zal het geheele bedrag kontant of in gelijke deelen betaald worden over een tijd van drie (3) jaren.

Interest op de bovengenoemde sommen zal betaald worden gerekend tegen vier per cent per jaar; en de betaling der paaimenten, met de interest daarop, zal op den koopdag door twee naar het oordeel van den Resident Magistraat goede, voldoende borgen verzekerd worden, welke borgen in betrekking tot die betaling zich als borgen *in solidum* en mede principale schuldenaars verbinden, afstand doende van de excepties van execussie en divisie.

Als de kooper of diens borgen feilen, of niet in staat zijn de noodige betalingen van de koopsom als bovengenoemd binnen de gestelden tijd te doen, zal de Regeering het recht hebben den koop nietig te verklaren, en alle betalingen reeds gedaan ten opzichte van dien koop, zullen aan de Regeering vervallen.

De uitgaven van opmeting nam. £2 0s. 6d. op elk perceel van den Grondbrief, nam. 12s. 3d. zullen aan den Resident Magistraat, of andere te dien opzichte wettelijk geauthoriseerden persoon, op den koopdag betaald worden.

De kooper zal verplicht zijn een verband te passeeren, gevende interest tegen vier per cent per jaar, ten gunste van het Gouvernement voor vier-vijfde van den koopsom, tenzij hij op den koopdag meer dan een-vijfde daarvan betaald hebben zal, in welk geval het bedrag van het verband voor de balans van den koopsom zijn zal, hebbende de kooper het recht het verband of eenig deel daarvan, zijnde niet minder dan vijftig ponden in eens, af te betalen.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld, dan zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van de datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geener waarde worden, en reeds gedane betalingen zullen aan de Regeering vervallen.

De Kaarten en Condities van Verkooping kunnen gezien worden ten kantore van den Landmeter-Generaal, Kaapstad, en ten kantore van den Resident Magistraat, Flagstaff.

In the Court of the Eastern Districts of the Cape of Good Hope.

In the matter of the petition of HENRY AUSTIN, of Uitenhage, in his capacity as Executor Dative of the Estate of the late TSHONTSHWANA MACUMELA.

UPON reading the abovenamed petition, setting forth that the said TSHONTSHWANA MACUMELA was otherwise known as KLAAS CHUMELA, and in that name received transfer, on the 6th October, 1875, of certain piece of freehold land, being Lot No. 82, situate in the village of Fort Francis, in the Division of Albany, now Bathurst, in extent 1 morgen and 435 square roods; that the transfer deed thereof was handed to petitioner by Daniel Macumela, one of the sons of the deceased, who obtained it from the widow; that on the 14th July, 1903, the said property was sold by public auction to one Miles McGowan Bowker, but the Registrar of Deeds refuses to pass transfer thereof without an order of Court; that KLAAS CHUMELA who obtained transfer of the property in question was the same person as Tshontshwana Macumela now deceased; and praying for an order authorising the Registrar of Deeds to transfer the said property from the name of KLAAS CHUMELA into the name of MILES MCGOWAN BOWKER, and that the cost be paid out of the Estate.
